

SHALL I COMPARE THEE TO A SUMMER'S DAY?

Shall I compare thee to a summer's day?
Thou art more lovely and more temperate.
Rough winds do shake the darling buds of May,
And summer's lease hath all too short a date.
Sometime too hot the eye of heaven shines,
And often is his gold complexion dimmed;
And every fair from fair sometime declines,
By chance, or nature's changing course, untrimmed;
But thy eternal summer shall not fade,
Nor lose possession of that fair thou ow'st,
Nor shall death brag thou wand'rest in his shade,
When in eternal lines to Time thou grow'st.
So long as men can breathe, or eyes can see,
So long lives this, and this gives life to thee.

Summers Day:

A Summers Day at Hampton Court Being a Guide to the Palace and Gardens Jesse E. Edwards, 1841 **My Life of Poems** Sean Michael McCarthy, 2016-05-31 What follows are some poems written along my journey Some were written as I rode my destiny train others as I fell from it and many as I walked along the track waiting for it to come around again Some are dark some are deep and others loving Some speak of loss and some are full of hurt Some are full of joy and others are fun and slightly quirky They all offer hope well at least they did to me when I wrote them Enjoy *The Mystery of Operation Alphabet* Elaine Merrikin Trimlett Glover, 2022-11-30 For many years my knowledge of my grandfather John Thomas Merrikin was very limited All I knew of him was that he came from Amber Hill Lincolnshire and was for many years a police officer in Leicester At the beginning of WW2 my grandfather was called up into the Naval Reserve first of all on HMS Devonshire and then Stoker First Class on HMS Acasta 8th June 1940 grandad John Thomas Merrikin died in the Norwegian fjords after the Scharnhorst and Gneisenau blew up HMS Acasta and as they sank into the cruel freezing cold sea Nick Carter launched a torpedo at the Scharnhorst and damaged her quite badly It wasn't until I joined the GLARAC Glorious Ardent Acasta Association in 2008 that I realised that HMS Ardent and HMS Aircraft Carrier Glorious were also bombed by the two German battleships both the pride of Nazi Germany The two British destroyers were accompanying HMS Glorious on convoy I also became aware of a huge conspiracy as to why 1531 servicemen were killed and only 43 servicemen survived without Admiralty intervention During the lockdown of 2020 2021 I decided to do some of my own research on the worst British naval catastrophe of WW2 and I began to write *The Mystery Of Operation Alphabet* to bring to life 8th June 1940 I did this by putting photographs on as many names of the war dead and survivors as possible to bring them to life too I also wrote down stories from books and articles of what happened to the war dead and survivors in their own words and also of their loved ones rather than writing using my own words as I wanted the servicemen to have their own voice *The Mystery of Operation Alphabet* has endless photos of the different ships lists of the war dead and also I have written down as many explanations and conspiracy theories as possible as to why the three ships were blown up and 1531 men were killed I did this by bringing to light the opinions and theories of Admiralty naval historians government officials and members of the GLARAC Association so you can make up your own minds as to what happened One of my main aims is to bring to light the bravery of commanders Barker and Glasford of HMS Ardent and HMS Acasta plus Nick Carter leading seaman of HMS Acasta the man who shot the Scharnhorst to hopefully get the government to give these men military honour and recognition for what they did on 8th June 1940 Amazingly even the commanders of the German battleships saluted the British ships HMS Glorious HMS Ardent and especially HMS Acasta as they sunk in the Norwegian fjords to honour their bravery Last but not least I would like to uncover why the government has kept the ships records under lock and key since 1940 and why they aren't going to be made public until 2040 41 So why not read this interesting and intriguing book to find out more Elaine Merrikin Trimlett Glover

Cognitive linguists have proposed that metaphor is not just a matter of language but of thought and that metaphorical thought displays a high degree of conventionalization In order to produce converging evidence for this theory of metaphor a wide range of data is currently being studied with a large array of methods and techniques Finding Metaphor in Grammar and Usage aims to map the field of this development in theory and research from a methodological perspective It raises the question when exactly evidence for metaphor in language and thought can be said to count as converging It also goes into the various stages of producing such evidence conceptualization operationalization data collection and analysis and interpretation The book offers systematic discussion of eight distinct areas of metaphor research that emerge as a result of approaching metaphor as part of grammar or usage language or thought and symbolic structure or cognitive process
