Sunborn: a Story of Love Them Touthang, 2025-10

Science Fact and Science Fiction Brian M. Stableford, 2006 Publisher description

Too Young a King, a Syran Novel Ellen Anthony, 2002-11 The king is dead Long live the king But this king is just ten years old and faces assassination attempts and treachery while his prime minister tries to keep him alive To complicate things not one but two old foes are suddenly offering alliances It's known that the Eagle practices slavery but they offer trade The Dawn is an unknown Can Edwin of the Wolf survive his turbulent youth Or does the prophecy speak of the baby brother still at his mother's breast And who arranged the death of his other brothers

Sunborn Jeffrey A. Carver, 2008-10-28 John Bandicut deserves a rest Rescuing Earth from a wayward comet wasn't accomplishment enough and neither was saving two other worlds from imminent disaster Exiled from his homeworld and traveling with an eclectic group of aliens including a quarx in his head he has been plucked from one mission to another and from one end of the galaxy to another and he and his companions are tired Would it be too much to ask when they arrive at an interstellar waystation that they receive a little RR and maybe even some answers Apparently so Hyperspatial gravity waves shake the station repeatedly and they're getting stronger These shock waves merely hint at the trouble brewing in the nearby Starmaker Nebula better known to Bandicut as

the Great Orion Nebula What s the cause of the disturbance No one knows The company s task is to find out not just because their RR center is threatened with destruction but because sentient stars in the nebula are dying And the danger could ripple out over thousands of light years threatening uncounted worlds including Earth Aboard a ship called The Long View Bandicut and his band of exiles journey not just into the perils of a star forming nebula but into a confrontation with the Mindaru a billion year old adversary of life as they know it Whatever chance they have of stopping the terrifying Mindaru may be found only in the fiery heart of an intelligent sun
