*The Good Gift of Weakness* Eric M Schumacher,2024-06-04 This overview of the theme of weakness in the Bible offers readers practical encouragement and hope as they learn to view their frailties as part of God s plan and purpose for their lives Our culture deifies strength and sadly the church does too Who has the most successful ministry the largest congregation or the godliest family Our misplaced faith in human strength is a false hope with no basis in Scripture But a closer look throughout the Bible reveals the central role human frailty plays in the redemption story From Genesis to Revelation God s power is made perfect when people are at their weakest Far from an undesirable defect God designed our weakness to draw us closer to himself As you learn to accept the good gift of weakness you will experience true strength the kind that only comes from a loving and infinitely powerful God

**The Religion of Tomorrow** Ken Wilber,2018-05-01 A provocative examination of how the great religious traditions can remain relevant in modern times by incorporating scientific truths learned about human nature over the last century A single purpose lies at the heart of all the great religious traditions awakening to the astonishing reality of the true nature of ourselves and the universe At the same time through centuries of cultural accretion and focus on myth and ritual as ends in themselves this core insight has become obscured Here Ken Wilber provides a path for re envisioning a religion of the future that acknowledges the evolution of humanity in every realm while remaining faithful to that original spiritual vision For the traditions to attract modern men and women Wilber asserts they must incorporate the extraordinary number of scientific truths learned about human nature in just the past hundred years for example about the mind and brain emotions and the growth of consciousness that the ancients were simply unaware of and thus were unable to include in their meditative systems Taking Buddhism as an example Wilber demonstrates how his comprehensive Integral Approach which is already being applied to several world religions by some of their adherents can avert a cultural disaster of unparalleled proportions the utter neglect of the glorious upper reaches of human potential by the materialistic postmodern worldview Moreover he shows how we can apply this approach to our own spiritual practice This his most sweeping work since *Sex Ecology Spirituality* is a thrilling call for wholeness inclusiveness and unity in the religions of tomorrow

**Welcome to the Light** Karl Krahn,2013-11-26 If you are happy with the way this world has prepared for the second coming of Christ fine Go your merry way and enjoy I am not and the results are why you are reading this story I was raised by a very strong believing Mother She taught the truth always wins be sure your sins will find you out and as you sow so shall you reap She didn t prepare me for this world but for the next When I finally understood this it was too late I could not believe it was possible to have the Spirit of Jesus Christ enter my heart mind and soul and feel no difference For years I searched for the feeling of total acceptance I often felt the presence of the Holy Spirit but it was always in someone else I could not find the feelings I was looking for It s not possible to list the extent and searching of this journey but in the end I gave up If there is no God it makes no difference If there is a God and He won t talk to me that s worse So I quit The

last day when all living beings go before the final judgment I have no defense I believed by not talking to me God was not living up to His promise Then I got very happy All my worries about Hell s fury and roasting for the rest of time vanished I set a time limit of three weeks and then I was going to stop living Nothing fancy I was going to find a simple way to stop living I rejected this life completely My worries were over Then after two weeks I got an overwhelming desire to get a pencil and paper The desire was so strong if I didn t have paper in time I would write on table tops or anything that was handy They were poems They came pouring from my hand They came so fast there is no way I could tell them that fast Now I offer them to those that think there has to be more in this life The hope and prayers that we will be covered by His Loving Grace even though we make no effort to live better just don t wash If you want to live again you have got to try I say again If you believe you already have a passkey to Heaven Have a nice day If these poems can help one person Praise God     **Starborn Code** Dan Bune,2025-08-26 Starborn Code Season 5 Traveling with the Masters invites readers into the next great initiation of the Avatars Having reclaimed the Song of Creation in Season 4 the team now journeys beyond words themselves into silence telepathy and the unspoken resonance of Source Guided by Jesus Buddha St Germain and the Ascended Masters they learn to unmask ego align sovereign will awaken empathy as the purest telepathy and unlock the cosmic language of light Each chapter unfolds as a mystical adventure where thought becomes creation silence becomes spell and love becomes the first tongue of the soul But the Shadow lingers weaving counterfeit thought forms and distortions of truth to block humanity s path into Matrix 5 0 Season 5 is a bridge between the spoken and the infinite an odyssey of direct knowing galactic remembrance and pure resonance For seekers of spiritual fiction visionary sci fi and cosmic myth this book is both story and initiation Tagline Before the word there was Knowing Before the voice there was Truth     Twisted Wisdom Victoria Falls-Scott,2024-01-23 Twisted WisdomSkyler escapes her twisted childhood and grows successful with the help of Celina and Victor Skyler s fresh start presents many opportunities including love Unbeknownst to her the same opportunities open old scars Will she choose love and overcome her past Or will she succumb to the darkness that is beckoning for her presence About The Author Victoria Falls Scott has a passion for studying people s behavior and the reasoning behind it Writing is her method of explaining her observations while using imaginative forums to create worlds with and without solutions Mizpah Save her newly started nonprofit is working its way up to help youth in need It began right here in Twisted Wisdom She is passionate about helping others and she aims to touch lives through love and understanding This is a piece of her heart enjoy and stay tuned for the next release     **Spirit Quest Jr.** McElfresh,2004-04 Spiritual forces impact all humanity and cannot be controlled by Man Their impact can and will be positive or negative and they are helped or hindered by prayer and its intent Our senses can be programmed by what we consume from different media sources Our senses move us toward truth or error and that movement will produce results Do you know whose spirit is influencing your choices today Page 4 of cover
