**Tied Up in Knots** Andrea Tantaros,2016-04-26 A breakdown of the impact of the feminist movement on American culture from a conservative political analyst and commentator Fifty years after Betty Friedan unveiled *The Feminine Mystique* relations between men and women in America have never been more dysfunctional If women are more liberated than ever before why aren t they happier In this shocking funny and bluntly honest tour of today s gender discontents Andrea Tantaros one of Fox News most popular and outspoken stars exposes how the rightful feminist pursuit of equality went too far and how the unintended pitfalls of that power trade have made women and men miserable In a covetous quest to attain the power that men had women were advised to work like men talk like men party like men and have sex like men There s just one problem women aren t men Instead of feeling happy with their newfound freedoms females today are tied up in knots trying to strike a balance between their natural feminine and traditional desires and what modern society dictates and demands through the commandments of feminism Revealing the mass confusion this has caused among both sexes Tantaros argues that decades of social and economic progress haven t brought women the peace and contentedness they were told they d gain from their new opportunities The pressure both to have it all and to put forth the perfectly post worthy filtered life for social media and society at large has left women feeling

twisted Meanwhile in their rightful quest for equality women have promoted themselves at the expense of their male counterparts leaving both genders frayed and frustrated In this candid and humorous romp through the American cultural landscape Tantaros reveals how gaining respect in the office where women earned it made them stop demanding it where they really wanted it in their love lives The impact of this power trade has been felt in every way from sex to salaries to dating and marriage to fertility and female friendships to the personal details they share with each other As a result we've lost the traditional virtues and values that we all want regardless of our politics intimacy authenticity kindness respect discretion and above all commitment With scathing wit and insights born of personal experience Tantaros explores how women have taken guys off the hook in dating much to their own detriment and exposes how we've become a nation averse to intimacy and preoccupied with porn one that has traded kindness for control intimacy for sexting and monogamy for polygamy Sorry romance Sorry decency and manners Long talks over the telephone have been supplanted by the selfie All this indicates a culture that's devolving not evolving And it's only getting worse Tied Up in Knots is a no holds barred gut check for the sexes and a wake up call for a society that has decayed faster than anyone thought possible It's time to remember what we all really want out of work love and life Only then can we finally begin untying those knots What's Up Underground! ,1995 **The Twisted Sisters Knit Sweaters** Lynne Vogel,2013-04-05 Adapting basic sweater patterns for personal preferences and measurements is the focus of this step by step guidebook that helps knitters refashion knitting schematics The designs illustrations and photos demonstrate how to adjust patterns to different styles so that any knitter can customize sweater patterns into unique creations Challenging projects ranging from sweaters and vests to pullovers and jackets and easy to follow instructions illustrate the basic elements of sweater design to inspire knitters at all levels Learning how to fit the bodice change yarns proportions neckline styles sleeve length and color and stitch patterns and add collars and edgings will give knitters the confidence to alter any pattern to meet their needs **Brooms, Brushes & Handles** ,1922
