

The DARING MISSION TO SAVE
EUROPE'S OPERA STARS *from the* NAZIS

TWO AGAINST HITLER

ISABEL VINCENT

Two Against Hitler

James Sidney Lucas

Two Against Hitler:

Two Against Hitler Isabel Vincent, 2021-05-04 An extraordinary account of two British sisters whose obsession with opera became a cover for their roles in helping Jewish refugees flee the Nazis during World War II a true story that is one part Schindler's List one part The Sound of Music and all but forgotten until now Born in the early 1900s in small town England the Cook sisters Ida a budding romance novelist and Louise a civil service typist were single like many in the Great War generation They devoted their free time to their passion for opera making frequent pilgrimages in the 1930s to Germany and Austria to see their favorite stars many of them Jewish Along with the charismatic Austrian conductor Clemens Krauss a favorite of Hitler's the Cooks helped form a cabal of opera world insiders who worked in secrecy to save Jews from Hitler between 1937 and the outbreak of World War II With their seemingly oblivious disposition and gaudy attire the sisters eluded suspicion of Nazi spies eventually helping over two dozen Jewish members of the opera community find safe passage to London men and women who otherwise would have likely perished in the Holocaust Based on original research and packed with vivid details many revealed here for the first time Isabel Vincent's Two Against Hitler will join the ranks of bestselling books like Code Girls and Hidden Figures in shining the spotlight on the extraordinary contributions of women in wartime

Two Against Hitler John Van Houten Dippel, 1992-02-10 Covers the espionage collaboration between Erwin Respondek and Sam Woods

Heisenberg and the Nazi Atomic Bomb Project, 1939-1945 Paul Lawrence Rose, 2023-11-15 No one better represents the plight and the conduct of German intellectuals under Hitler than Werner Heisenberg whose task it was to build an atomic bomb for Nazi Germany The controversy surrounding Heisenberg still rages because of the nature of his work and the regime for which it was undertaken What precisely did Heisenberg know about the physics of the atomic bomb How deep was his loyalty to the German government during the Third Reich Assuming that he had been able to build a bomb would he have been willing These questions the moral and the scientific are answered by Paul Lawrence Rose with greater accuracy and breadth of documentation than any other historian has yet achieved Digging deep into the archival record among formerly secret technical reports Rose establishes that Heisenberg never overcame certain misconceptions about nuclear fission and as a result the German leaders never pushed for atomic weapons In fact Heisenberg never had to face the moral problem of whether he should design a bomb for the Nazi regime Only when he and his colleagues were interned in England and heard about Hiroshima did Heisenberg realize that his calculations were wrong He began at once to construct an image of himself as a pure scientist who could have built a bomb but chose to work on reactor design instead This was fiction as Rose demonstrates in reality Heisenberg blindly supported and justified the cause of German victory The question of why he did and why he misrepresented himself afterwards is answered through Rose's subtle analysis of German mentality and the scientists' problems of delusion and self-delusion This fascinating study is a profound effort to understand one of the twentieth century's great enigmas No one better represents the plight and the conduct of German intellectuals under Hitler

than Werner Heisenberg whose task it was to build an atomic bomb for Nazi Germany The controversy surrounding Heisenberg still rages because of the nature of his work

The De-Judaization of the Image of Jesus of Nazareth (The Virgin Mary) at the Time of the Holocaust: Ensoulment and the Human Ovum Thomas Alexander Blüger, 2021-03-09 Thomas has been researching his family's Jewish background for the last thirty years Herein he investigates how his Jewish grandparents and aunt defined as a nonprivileged Mischling survived the war while living in the heart of Nazi Germany This led Thomas to research Hitler's fear of having partial Jewish ancestry and expanded into a full blown study of following Christianity's understanding of the Jewish identity of Jesus of Nazareth throughout history Not leaving matters here Thomas outlines how Marian dogmatic theology used at the time of the Shoah brought to conclusion the Church's long journey in defining the time of ensoulment as articulated in the papal document *Ineffabilis Deus* promulgated by Pius in 1854 This happened twenty seven years after the discovery of the human ovum in 1827 by Karl Ernst von Baer Years later with the emergence of Nazi racial ideology many anti Christian Christians attempted to invert Christianity's core message of salvation through faith toward biological ends This would not do Roman authorities had consistently held throughout the centuries that faith is about salvation and not about biology According to that same end the ideal of ensoulment since the time of the Church's renewed understanding of it beginning in 1854 and indeed as it was first articulated through the writings of Aristotle and received into Christianity through the writings of Saint Augustine and later Thomas Aquinas was newly preserved within the confines of Western civilization This is the first book the author knows of that follows Augustine's concept of ensoulment as well as Aquinas's thinking on the matter while linking these to Karl Ernst von Baer's discovery of the human ovum in 1827 up until the events of Shoah and beyond This study is phenomenological in nature in that it does not follow Jesus of Nazareth the Virgin Mary throughout history but rather follows the image of Jesus of Nazareth the Virgin Mary a monumental difference This study supports the Second Vatican Council the Church's latest and ongoing efforts in affirming the Jewish identities of both Jesus of Nazareth and the Virgin Mary John Paul II's call for a purification of memory beginning in a year of Jubilee as well as the many present efforts in Catholic Jewish relations This study builds upon the author's past article *Following the Virgin Mary through Auschwitz Marian Dogmatic Theology at the Time of the Shoah* published in *Holocaust Studies A Journal of Culture and History* Vol 14 winter 2008 No 3 pp 1-24

From Hitler's Doorstep Neal H. Petersen, 2010-11-01 For three years during World War II future Director of Central Intelligence Allen Dulles commanded the OSS mission in Bern Switzerland *From Hitler's Doorstep* provides an annotated selection of his reports to Washington from 1942 to 1945 Dulles was a leading source of Allied intelligence on Nazi Germany and the occupied nations The messages presented in this volume were based on information received through agents and networks operating in France Italy Austria Eastern Europe and Germany itself They deal with subjects ranging from enemy troop strength and military plans to political developments support of resistance movements secret weapons psychological warfare and peace feelers The Dulles reports reveal his own

vision of grand strategy and presage the postwar turmoil in Europe One of the largest collections of OSS records ever published these telegrams and radiotelephone transmissions from the National Archives provide an exciting account of the course of the European war offer insight on the development of American intelligence and illuminate the origins of the Cold War They will interest diplomatic and military historians as well as specialists on modern Europe This volume is almost unique as document based intelligence history and serves as a badly needed bridge between diplomatic history and intelligence studies

Hitler's Japanese Confidant Carl Boyd,1993 In 1940 the US Army Signal Intelligence Service broke the Japanese diplomatic code In 1975 Oshima Hiroshi Japan s ambassador to Berlin during World War II died never knowing that the hundreds of messages he transmitted to Tokyo had been fully decoded by the Americans and whisked off to Washington providing a major source of information for the Allies on Nazi activities *Two Against Hitler* ISABEL VINCENT,2021-02-04 An extraordinary account of two British sisters whose obsession with opera became a cover for their roles in helping Jewish refugees flee the Nazis during World War II a true story that is part Schindler s List part The Sound of Music and all but forgotten until now Born in the early 1900s in small town England the Cook sisters Ida a budding Mills Boon novelist and Louise a civil service typist were single like many in the Great War generation They devoted their free time to their passion for opera making frequent pilgrimages in the 1930s to Germany and Austria to see their favorite stars many of them Jewish Along with the charismatic Austrian conductor Clemens Krauss a favorite artist of Hitler the Cooks helped form a cabal of opera world insiders who worked in secrecy to deliver Jews from Nazi persecution all as the threat of war descended With their seemingly oblivious disposition and gaudy attire the sisters eluded suspicion of Nazi spies eventually helping dozens Jewish members of the opera community find safe passage to London men and women who otherwise would have likely perished in the Holocaust Based on original research and packed with vivid details many revealed here for the first time Isabel Vincent s *Two Against Hitler* will join the ranks of Hidden Figures in shining the spotlight on the extraordinary contributions of women in wartime *Romania in the War Against Hitler's Germany, August 1944-May 1945* Eugen Bantea,Constantin Nicolae,Gheorghe Zaharia,1970 S geord Rum nien Historie 1944 1945 Stdkarpatien Forholdet mellem Tyskland og Rum nien under Bratislavia Tatra Javorina Gory Banske Bystrica B kk Matra Budapest Debreczen Jassy Chisinau Ukrainske Front Sovjet Tyske Front *A History of Hungary, 1929-1945* Carlile Aylmer Macartney,1956

Inside Hitler's High Command Geoffrey P. Megargee,2000 Challenging previous accounts Megargee shatters the myth that German generals would have prevailed in World War II if only Hitler had not meddled in their affairs Instead he observes that the military s strategic ideas were no better than Hitler s and often were worse 20 photos *Hitler's Jewish Soldiers* Bryan Mark Rigg,2002 On the murderous road to racial purity Hitler encountered unexpected detours largely due to his own crazed views and inconsistent policies regarding Jewish identity After centuries of Jewish assimilation and intermarriage in German society he discovered that eliminating Jews from the rest of the population was more difficult than he d anticipated

As Bryan Rigg shows in this provocative new study nowhere was that heinous process more fraught with contradiction and confusion than in the German military. Contrary to conventional views Rigg reveals that a startlingly large number of German military men were classified by the Nazis as Jews or partial Jews Mischlinge in the wake of racial laws first enacted in the mid 1930s Rigg demonstrates that the actual number was much higher than previously thought perhaps as many as 150 000 men including decorated veterans and high ranking officers even generals and admirals As Rigg fully documents for the first time a great many of these men did not even consider themselves Jewish and had embraced the military as a way of life and as devoted patriots eager to serve a revived German nation In turn they had been embraced by the Wehrmacht which prior to Hitler had given little thought to the race of these men but which was now forced to look deeply into the ancestry of its soldiers The process of investigation and removal however was marred by a highly inconsistent application of Nazi law Numerous exemptions were made in order to allow a soldier to stay within the ranks or to spare a soldier's parent spouse or other relative from incarceration or far worse Hitler's own signature can be found on many of these exemption orders But as the war dragged on Nazi politics came to trump military logic even in the face of the Wehrmacht's growing manpower needs closing legal loopholes and making it virtually impossible for these soldiers to escape the fate of millions of other victims of the Third Reich Based on a deep and wide ranging research in archival and secondary sources as well as extensive interviews with more than four hundred Mischlinge and their relatives Rigg's study breaks truly new ground in a crowded field and shows from yet another angle the extremely flawed dishonest demeaning and tragic essence of Hitler's rule

The Case of Henryk Erlich and Victor Alter Ogólny Żydowski Związek Robotniczy "Bund" w Polsce, Ogólny Żydowski Związek Robotniczy "Bund" w Polsce. American Representation, 1943

The Ghetto Speaks, 1943

The Scabbard and Blade Journal, 1939

Hitler's Enforcers James Sidney Lucas, 1999 Here the author selects fifteen leading players in Hitler's war effort he describes their role and function in the German military hierarchy and their input at strategic or battlefield level The selected characters Lucas suggests had an extra dimension an additional quality administrative skill the ability to motivate great tactical awareness originality of thought which set them apart from others of equal rank By learning more about those who directed the German war effort we came to a greater knowledge of what made World War II such an awesome conflict

NAZI CONSPIRACY AND AGRESSION, 1946

Belgium, 1941

Jewish Labor in U.S.A., 1914-1952 Melech Epstein, 1953

When Titans Clashed David M. Glantz, Jonathan Mallory House, 1995 By the time Pearl Harbour had ripped apart America's peacetime pretensions the German blitzkrieg had already blasted the Red Army back to the gates of Moscow Yet less than four years later the Soviet hammer and sickle flew above the ruins of Berlin stark symbol of a miraculous comeback that destroyed the German army and shattered Hitler's imperial designs

Shot from the Sky Cathryn J. Prince, 2003 Prince presents the complete story behind Swiss claims of neutrality where they applied international law in an unfair manner They detained and in some cases punished American airmen while allowing Nazi pilots

to refuel at Swiss airfields

The Top Books of the Year Two Against Hitler The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Two Against Hitler : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
