Two Much Alike Pamela Bauer, 2014-09-15 They re definitely not two of a kind Have you seen this man Ten year old Alex Harper is putting up posters everywhere He wants to find his dad but only so the judge can force the deadbeat to pay the support he owes Maybe then his mother can stop working all the time and she and Alex his twin sister and little brother can finally take a real vacation together To everyone s surprise Alex actually finds his dad or does he The man calling himself Joe Smith certainly looks the part but he claims there s been a mistake And Frannie Alex s mom is willing to believe him After all he doesn t exactly actlike her ex husband Besides it s said that everybody has a double somewhere Of course it s also said that twins run in families

Two Much Alike Bernice Thurman Hunter, 2000 It s 1953 television is the newest thing girls wear dresses to play outside and Carrie and Connie Taylor are almost twelve years old Living in Detroit Michigan the twins are so identical they fool people by switching clothes or classes in school They even have their own private language But after their Canadian cousin says that twins have no identity Carrie decides to individuate She tries to look and act different from Connie and Connie is miserable if she is not Carrie s twin who is she Told in a fresh lively voice this story of a pre teen finding out who she is has great appeal especially to readers who wonder about the mysterious lives of identical twins
