**Two Thousand Years in Exeter** William George Hoskins, 2004 A history of Exeter [Two Thousand Years in Exeter](#) W. G. Hoskins, 2022-04-07 Exeter is one of the oldest cities in Britain It was an inhabited place some two hundred years before the Romans came and people have lived here without a break for more than two thousand years The High Street has been in continuous use as a thoroughfare throughout that long period For centuries Exeter was one of the largest and wealthiest cities in the kingdom and has always been the Mother City of the South West In this book first published in 1960 and acclaimed as a small masterpiece the author traces the essential historic development and character of a leading provincial centre He describes its adventure from a small Celtic village to a modern city with particular reference to its social history to the lives and surroundings of ordinary people to the buildings and landscapes of the past Above all he is concerned with the recent past and devotes three long chapters to the 19th and 20th centuries W G Hoskins died in 1992 The task of bringing the work up to date and preparing text and illustrations for this new edition of a classic work has been undertaken by Hazel Harvey a distinguished local historian of Exeter Much of Exeter has been destroyed but much of the historic past of this entrancing city still remains Hoskins incomparable text is supported by a new selection of illustrations and maps with an appendix on the street names of the city and place names in the neighbourhood *Two Thousand Years in Exeter*, 1960

**Elections in England and Wales, 1919-1938: A Comparative Analysis** Sam Davies, Bob Morley, 2016-12-05 These volumes provide an essential comprehensive work of reference for the annual municipal elections that took place each November in the 83 County Boroughs of England and Wales between 1919 and 1938 They also provide an extensive and detailed analysis of municipal politics in the same period both in terms of the individual boroughs and of aggregate patterns of political behaviour Being annual these local election results give the clearest and most authoritative record of how political opinion changed between general elections especially useful for research into the longer gaps such as 1924 29 and 1935 45

or crisis periods such as 1929-31. They also illuminate the impact of fringe parties such as the Communist Party and the British Union of Fascists and also such questions as the role of women in politics, the significance of religious and ethnic differentiation and the connection between occupational and class divisions and party allegiance. Analysis at the ward level is particularly useful for socio-spatial studies. A major work of reference, *County Borough Elections in England and Wales 1919-1938*, is indispensable for university libraries and local and national record offices. Each volume has approximately 700 pages.

**Two Thousand Years of Gild Life** Joseph Malet Lambert, 1891      *The Christians, Their First Two Thousand Years*, 2002. *The Christians* is the history of Christianity told chronologically, epoch by epoch, century by century, beginning at Pentecost and concluding with Christians as we find ourselves in the twenty-first century. It will consist of approximately twelve volumes produced over a 10-year period at the beginning of the third Christian millennium. It is written and edited by Christians for Christians of all denominations. Its purpose is to tell the story of the Christian family so that we may be knowledgeable of our origins, may well know and wisely profit from the experiences of our past, both good and bad, and may find strength and inspiration to face the challenges of our era from the magnificent examples set for us by those who went before. Back cover: *Two thousand years of gild life; or, An outline of the outline of the history and development of the gild system from early times, with a full account of the gilds and trading companies of Kingston-upon-Hull from the 14th to the 18th century*. Joseph Malet Lambert, 1891.

**One Hundred Years** Church Missionary Society, Eugene Stock, 1899.      **A Handbook of American Private Schools**, 1923.      **A Handbook of the Best Private Schools of the United States and Canada**, 1920.      *A Handbook of Private Schools for American Boys and Girls*, 1923.      **Handbook of American Private Schools**, 1926. This handbook aims to be a guide to the best private schools of the country. It has been undertaken with the parent especially in mind, but it is hoped that it may be of value to school and college authorities and all others interested in the subject. It is believed that this Handbook is the first volume which attempts a critical and discriminating treatment of the private schools of the country. It is an endeavor to classify the schools on their merits; at least a step it is hoped toward eventual standardization. Editor's foreword: *The King's Towns* Lorraine Christine Attreed, 2001. Its chronological scope reveals the evolution of monarchical power interfacing with the localities and sheds light on the debate concerning the New Monarchy developing across Europe. This is a study about the search for identity as civic officials and townspeople learned to live with and exercise their hard-won liberties. *The Economic History of England* Ephraim Lipson, 1926.      *Transactions of the Shropshire Archaeological and Natural History Society* Shropshire Archaeological and Natural History Society (Great Britain), 1914.      *Transactions of the Devonshire Association for the Advancement of Science, Literature and Art* Devonshire Association for the Advancement of Science, Literature and Art, 1912.      *Report & Transactions* Devonshire Association for the Advancement of Science, Literature and Art, 1912.      **An introduction to the economic history of England** Ephraim Lipson, 1923.
