Choate, 2021-02-10 Epiphany's Veil Purity's Vein is an epic poem that takes the reader on surreal travels tenuous travails and wondrous prevails through humanity's dark plight and God's reach into that terrible night *The Health of Prisoners*, 2020-01-29 In eighteenth century Britain gaols were places of temporary confinement where inmates stayed while awaiting punishment With the rise of the penitentiary from the early nineteenth century custodial institutions housed prisoners for much longer periods of time Prisoners were supposed to be reformed as well as punished during their incarceration From at least the time of John Howard 1726-1790 the health of prisoners has been part of the concern of philanthropists and others concerned with the wider functions of prisons The Victorians established a Prison Medical Service and members of the medical profession have long been involved in caring for the mental and physical needs of prisoners For two centuries prison overcrowding has been identified as a major cause of mortality and morbidity in prisons Historical debates thus often have a modern ring to them which make the essays in this volume particularly timely **Renaissance psychologies**

**Shakespeare's Tragic Form** Robert Lanier Reid, 2000 Since about 1960 when five act division in Shakespeare's plays was strongly disputed most critics have focused on individual scenes rather than holistic form This book argues for Shakespeare's use of five acts arranged in three cycles to form a 2 1 2 pattern It also examines the role of multiple plots and centers of consciousness especially in the festive comedies and romances Additionally it traces Shakespeare's gradual mastery of the art of epiphany compares it to Spenser's complementary focus on transcendent reality and traces in Macbeth the dark mode of Shakespeare's dramaturgical pattern

**The Secret Fidel Castro** Servando Gonzalez, 2001 The Secret Fidel Castro is neither a history of the Cuban revolution nor a biography of Fidel Castro The book was written following what intelligence services call a CPP short for Comprehensive Personality Profile similar to the ones intelligence services keep on foreign leaders It focuses on different aspects of Castro's actions and personality which for some reasons have been either ignored misunderstood or misrepresented The main thesis of this book is that there are many different Castros The most widely known is the symbolic public one as it has been portrayed in official Cuban propaganda Castro friendly biographies and mainstream American media But there are also many secret Castros highly different from the public one The Secret Fidel Castro focuses on little known aspects of Castro's personality important in the better understanding of the man and his actions what really makes him tick
