Future visions : education and technology. , **What Makes a Great School** Edison Project,1993 City Schools
Diane Ravitch,Joseph P. Viteritti,2003-05-01 How the story of NYC s schools contain lessons for other cities City Schools
brings together a distinguished group of researchers and educators for an in depth look at the nation s largest school system
Topics covered include the changing demographics of city schools the impending teacher shortage reading instruction
special education bilingual education school governance charter schools choice school finance reform and the role of teacher
unions City Schools also provides fresh and fascinating perspectives on Catholic schools Jewish day schools and historically
black independent schools Diane Ravitch Joseph P Viteritti and their coauthors explore pedagogical institutional and policy
issues in an urban school system whose challenges are those of American urban education writ large The authors conclude
that we know a lot more about how to provide effective educational services for a diverse population of urban school children
