My Life as Claus Chuck Hubbell, 2015-11-25 This book is about a journey A journey of creating magic with children It sheds light on why creating Magic for children is important It is about a journey into the realm of children whose innocence is taken from them far too soon It is about smiles and laughter and secrets and perhaps a little magic that results in believing Believing for a moment longer or if we are lucky another year Or if we really believe perhaps that magic can last a lifetime But this story is about so much more It is about what children gave me as I evolved into being a Santa Claus It is about how I became a much better person It is a story about how I gained insight and understanding in the power of believing even when believing seems impossible

He Said, Sidhe Said Tanya Huff, 2013-12-13 In these seven contemporary fantasies from Tanya Huff we see a dog's eye view of loyalty and a cat's eye view of sea serpents We learn that some Brownies could use a shave although cookies will still be sold and that there are at least two sides to every relationship no matter how accidental and or mythical that relationship is We're also reminded that however worthwhile it may be to die with purpose it's better to

live well Huff s ability to leaven heartache with humour and vice versa gives this collection of previously published stories an unexpected emotional variety A December release He Said Sidhe Said also includes the seasonally appropriate I ll be Home for Christmas
