*What Is Lightbody* Tachira Tachi-ren, Archangel Ariel, 1999-06-01 The true author of this book is the Archangel Ariel and it is channeled through Tachira Tachi ren It is a brief but powerful guide for lightworkers From the introduction When we look at you we see you as vast multidimensional beings There s just a little bit of you in this body thinking that you are all of it Some of you are getting an inkling that s not so We see you at all dimensions in the vastness of who you are From our viewpoint because you are reading this you are a Lightworker and you are here with a job to do You are here to assist in the transition of planet Earth into Light You ve done it countless times before and you are an expert in your field This book presents you with a model which describes what s going on in this process for this planet It is not truth It is not real because when you are attempting to describe a multidimensional non linear model it s impossible to describe it in the English language But we re going to do our very best If at times it bounces around bear with it because the process itself is not exactly linear It s a lot more like music Now the only way we can present this model is linearly We have attempted to do it non linearly and everyone goes brain dead We hope that you can feel the shifts you re going through We know that if your mental body can say Ah this is part of eighth level of Lightbody it eases the secret fears There is a need for this information to go out because the fear level is so very high especially coming from the physical and mental bodies If you know what s happening to you and know that it s part of a coherent process then you feel less crazy *Wake up for Ascension to a New Earth - or Leave* Robert E.
