Less Is Not Enough Miriam Meissner, 2026-03-19 Less Is Not Enough examines the rise of minimalist self help showing how it depoliticizes middle class frustrations with capitalist exploitation and proposes a cultural strategy to channel minimalist desires into a more radical postgrowth politics In the past decade minimalist self help has exploded from tidying guides to media detoxes which promise to help affluent middle classes navigate a world of excess too much clutter stress and distraction Here Miriam Meissner exposes the limits of minimalism in addressing both middle class overload and the

environmental crisis Through a critical analysis of self help books TV shows and online communities she argues that while minimalism is well intended it ultimately distracts from the root causes of the very problems it seeks to alleviate Trends like decluttering and mindfulness depoliticize middle class frustrations with the capitalist exploitation of labour attention and ecology for profit In an era where climate justice and class struggle are inseparable this book proposes an eco political strategy that refuses to pit middle class interests against the demands of a just green transition
