

The Untouchable

Robert Delière

The Untouchable:

The Untouchable as Himself Ravindra S. Khare,1984 This book is a study of the new frame of mind of the Indian Untouchable

The Untouchables Oliver Mendelsohn,Marika Vicziany,1998-04-30 In a sensitive and compelling account of the lives of those at the very bottom of Indian society Oliver Mendelsohn and Marika Vicziany explore the construction of the Untouchables as a social and political category the historical background which led to such a definition and their position in India today The authors argue that despite efforts to ameliorate their condition on the part of the state a considerable edifice of discrimination persists on the basis of a tradition of ritual subordination Even now therefore it still makes sense to categorise these people as Untouchables The book promises to make a major contribution to the social and economic debates on poverty while its wide ranging perspectives will ensure an interdisciplinary readership from historians of South Asia to students of politics economics religion and sociology

What Congress & Gandhi Have done to the Untouchables Dr.Baba Saheb Ambedkar,1946

The Untouchable Gerald Seymour,2001 In London Albert William Packer known as Mister is master of all he surveys He rules the manor with an iron fist transgression is punished savagely and moonlighting is rooted out and dealt with without hesitation For twenty years Packer has had it all his own way the police and intelligence services have targeted him but have yet to get close to any sort of effective prosecution After the collapse of the most recent National Crime Squad case against him through the intervention of his lawyer Henry Arbuthnot known as the Eagle Packer sets out to broaden his horizons His core business is heroin bought from the Turks in Green Lanes and distributed around the capital But he wants to cut out the middle man and in order to do so must travel to Sarajevo to parlay with the middle man where he hopes to negotiate safe transit through the black market crossroads that is the former Yugoslavia But there is one survivor of the latest Home Office debacle an archivist called Joey Cann who is determined to bring Packer to justice and follows him and his entourage to Sarajevo to glean what he can from the visit and to undermine whatever operation Packer is in the process of set

The Untouchables of India Robert Deliège,1999-06 The subjugation of millions of people in a caste system that is a radical form of apartheid has long had its critics both from within India and from outside it Although the government has introduced equal opportunity legislation in an effort to right some of history s wrongs untouchability is an accident of birth that continues to stigmatize and ostracize more than one hundred and forty million people Untouchables remain on the bottom of the socioeconomic scale and are found more often than not in unskilled low status occupations They are forbidden to enter temples often beg for their food must leave their chests uncovered and silently endure public humiliations and insults They remain on the fringes of society and it is even said by some that their shadows pollute passersby This excellent book addresses the problem of untouchability by providing an overview of the subject as well as penetrating insights into its social and religious origins The author persuasively demonstrates that untouchability is a deeply ambiguous condition neither inside nor outside society reviled yet indispensable untouchables constitute an original category

of social exclusion This is reflected in the various social movements they have led over the last century and more The situation of untouchables is crucial to the understanding of caste dynamics especially in contemporary circumstances but emphasis particularly within anthropology has been placed on the dominant aspects of the caste system rather than on those marginalized and excluded from it This important book redresses this problem and represents a vital contribution to studies of India Hinduism human rights history sociology and anthropology
