# The Complete Guide To Estate Planning

**Dominic J Carrington**

## **The Complete Guide To Estate Planning:**

**The Complete Estate Planning Guide** Robert Brosterman, Kathleen Adams, 1982-08 The 1992 revised edition of the definitive guide to building maximum financial gains In non technical language this comprehensive guide tells how to set up a long range program that will safeguard the planner s financial security as it details all the aspects of modern estate planning from tax saving opportunities to corporate fringe benefits Ultimate Guide to Estate Planning Jeff Kikel, 2020-01-20 We get it You know that you need an Estate Plan However it is a scary expensive and confusing process You don t know where to start whom to go to and what needs to be done What have you done up to the point Nothing correct You are not alone A survey done by internet law firm Rocket Lawyer found that 51% of Americans age 35 50 do not even have a simple will The scarier statistic is that 65% of baby boomers do not have a basic Estate Plan So where do you start If you look at some of the other books available that are written by lawyers and legal services look more like a legal textbook than a helpful guide That is where this book differs Written by veteran Financial Planner and author Jeff Kikel this book takes you through the Estate Planning process in a simple and direct way that you can understand and implement Jeff shares stories from his past clients the mistakes that were made and how you can implement strategies to avoid these mistakes on your own In this book you will learn What an Estate Plan is so you can implement this without confusion which means your family will be protected The Five Components of an Estate Plan that you need to have which means you will be protected from most of the legal risks that you can encounter How to find an Attorney that will help you correctly complete this plan which means you can trust that the documents and estate plan process are done correctly the first time How to prepare for your appointment so that you are prepared for your appointment and will not feel stupid How to have a meeting with your family so that you can communicate your plan with them avoiding hard feelings and miscommunication If you are looking for a book to guide you through the process of estate planning this is the Ultimate Guide to help you through the process *The Complete Guide to Organizing Your Records for Estate Planning* John N. Peragine, Jr., 2009 Planning your estate is a long complicated process that requires much time and effort The process of organizing your records for estate planning is equally time consuming and complex Hiring an attorney to assist you may cost more than you are willing to spend With the help of *The Complete Guide to Organizing Your Records for Estate Planning* you can not only take charge of your estate planning documentation but also save time money and effort In this new book you will learn how to find an organizational system that works for you where to look for records what to record who to tell where to keep records and how often to update your records You will also find information on creating a will or a living will setting up a trust assigning power of attorney and filling out health care directives Additionally you will learn about the documents that should be included in your estate plan such as insurance policies Social Security cards birth certificates of minor children stock brokerage statements credit card numbers and statements certificates of deposit real estate deeds mortgage statements retirement account savings non retirement account

savings and current bank statements The CD ROM is filled with sample documents and worksheets as well as a checklist of often overlooked information including any medications you take where you worked where your savings and checking accounts are located where your car title is located what your funeral plans or wishes are and who should receive what The Complete Guide to Organizing Your Records for Estate Planning will help you prepare your documents and record your final instructions and wishes By using the information provided in this book you will save money you might otherwise have spent on legal and accounting fees In addition you will save your family the frustration of searching for these documents if something should ever happen to you This book written in an easy to understand language will walk you through the process of organizing your records and make the process much easier for you and your family The companion CD ROM is included with the print version of this book however is not available for download with the electronic version It may be obtained separately by contacting Atlantic Publishing Group at sales atlantic pub com Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president e tm s garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed
