## **The Congregation As Church:**

**The Congregation in Church**, 1906      **The Congregation Driven Ministry** Larry W Ellis, 2007-07 Most clergy and laity agree that their churches are mired in maintenance ministry In past years congregations have asked How do churches grow when the better question may be How do members grow Most church leaders desire to raise an army for God but usually settle for more of an audience than an army The Congregation Driven Ministry Moving from Membership to Maturity attempts to address this issue The people of God must be equipped to do ministry The goal must be to make disciples In doing CDM workshops for many churches small medium and mega the needs are the same In Thurman White s preface he states that the CDM provides a set of best practices for clergy and laity so that both are clear about their perspective ministry roles America s churches are at a pivotal place of transition The vibrant ministries must be vigilant or find themselves facing decline Often it is difficult for churches to admit that they are personality driven instead of congregationally driven This work does not seek to diminish the role of the pastor teacher but to encourage leadership to place the responsibility for growth on the congregation and not the minister alone Let us give more power to the people

*Beyond Maintenance to Mission* Craig L. Nesson, 2010-02-24 Here in a newly revised edition is a powerful and pertinent guide for congregations wanting to move away from maintenance thinking to powerful creative engagement with the world Visionary yet practical Nesson s influential book makes a persuasive case for the centrality of mission in the life of the church Nesson s model of mission driven leadership is strongly centered on the community of faith s worship and draws unique connections between the worship life of a congregation and every aspect of the church s ministry Around the twin foci of congregational identity and mission the chapters in this dynamic book provide solid theological and radical direction on the themes of worship education fellowship stewardship evangelism global connections and social ministry Equally pertinent to seminary classroom and parish life the new edition highlights worship s centrality adds a new chapter on prayer and spiritual practices in this framework significantly revises the treatments of fellowship and evangelism and adds a full set of materials designed for congregational visioning and planning

**The Congregation in a Secular Age (Ministry in a Secular Age Book #3)** Andrew Root, 2021-01-19 Churches often realize they need to change But if they re not careful the way they change can hurt more than help In this culmination of his well received *Ministry in a Secular Age* trilogy leading practical theologian Andrew Root offers a new paradigm for understanding the congregation in contemporary ministry He articulates why congregations feel pressured by the speed of change in modern life and encourages an approach that doesn t fall into the negative traps of our secular age Living in late modernity means our lives are constantly accelerated and calls for change in the church often support this call to speed up Root asserts that the recent push toward innovation in churches has led to an acceleration of congregational life that strips the sacred out of time Many congregations are simply unable to keep up

which leads to burnout and depression When things move too fast we feel alienated from life and the voice of a living God The Congregation in a Secular Age calls congregations to reimagine what change is and how to live into this future helping them move from relevance to resonance *The Church Service Bible, Containing the Old and New Testaments, with the Lessons from the Apocrypha, Marked as Appointed to be Read in Churches According to the Lectionary of M.DCCC.LXXI.*
