The Kind Gang:

The Kind Gang Bob Kisiki,2002 A lively and sensitive first person narrative of the life of a young boy in Uganda particularly appealing to younger readers Awazi Kati tells the story of his childhood and upbringing and close relationship with his father a kiosk small businessman and liberal Muslim whom he admires and trusts But when his father is accused of being a thief and then pays for his crime with his life Awazi is confronted with his father s own belief that people cannot be trusted and his life changes radically Alf King - Gang Boss Eric Brady,2011-06-03 Alf King a small time London Loser decides his way to Gangland Success is to set up his own Gang With his two man Gang and the assistance of some real villains he makes it in spite of his domineering wife Martha and making an enemy of PC Cuthbertson who unintentionally gives Alf s criminal Rep a big boost early on **Organized Criminal Activity by Youth Gangs** United States. Congress. House. Committee on the Judiciary. Subcommittee on Criminal Justice,1989 *Jesus and the Gang* Jon Wolseth,2011-02-15 In urban Honduras gun violence and assault form the pulsing backdrop of everyday life This book examines the ways that young men and women in working class neighborhoods of El Progreso Honduras understand and respond to gang and gun violence in their communities Because residents rely on gangs and Catholic and Evangelical Protestant churches to mediate violence in their neighborhoods these institutions form the fabric of society While only a small fraction of youths in a neighborhood are active members of a gang most young men must learn the styles ways of communicating and local geography of gangs in order to survive Due to the absence of gang prevention programs sponsored by the government or outside non governmental organizations Catholic and Pentecostal churches have developed their own ways to confront gang violence in their communities Youths who participate in church organizations do so not only to alter and improve their communities but also to gain emotional and institutional support Offering firsthand accounts of these youths and how they make use of religious discourse narrative practices or the inscription of tattooed images and words on the body to navigate dangerous social settings *Jesus and the Gang* is an unflinching look at how these young men turn away from perpetuating the cycle of violence and how Christianity serves a society where belonging is surviving This book will appeal to readers with an interest in Latin American studies urban anthropology and youth studies With its focus on the lives of young men and women it s also a compelling read for anyone interested in the plight of urban youth trying to escape the gang life **Violence by Youth Gangs and Youth Groups as a Crime Problem in Major American Cities** Walter Blaine Miller,1975 **Violence by Youth Gangs and Youth Groups as a Crime Problem in Major American Cities** Walter Benson Miller,1977 Jimmy the King Gus Garcia-Roberts,2022-05-03 An incredible four decade account of murder power and corruption in one of the country s largest police departments In 1979 the gruesome slaying of a thirteen year old boy riveted the suburbs of Suffolk County New York As the county hustled to bring the case to a dubious resolution a wayward local teenager emerged with a convenient story to tell For his cooperation James Burke was rewarded with a job as a cop Thus began Burke s unlikely

ascent to the top of one of the country's largest law enforcement jurisdictions. He and a crew of likeminded allies utilized vengeance gangster tactics and political leverage to become the most powerful and feared figures in their suburban empire. In his quest to maintain that power, Burke botched intentionally or not dire investigations like that of the famed Gilgo Beach serial killings and the county's MS 13 gang scourge. Until a pilfered bag of sex toys brought it all crashing down, Jimmy the King is the story of the rise, reign, and paranoiac fall of a corrupt cop and his regime, a crime family with badges and guaranteed pensions. Novelistic in detail and piercing in its political insight, this book will leave you questioning who modern policing serves, who it protects, and who it preys upon and abandons.
