The Last Days Let Scripture Be Your Guide:

The Last Days Linda Sander, James Sander, 2014-12-30 End times Scripture passages seem confusing so we too often turn to other sources We go to conferences watch movies and hear experts speak about the end times but when we sit down to look for the same teaching in our Bibles we are often disappointed or confused If asked to explain a particular view about the rapture and tribulation we are likely to refer to a fictional book we have read or a movie we have watched or a chart we have seen Most Christians are unable to explain their view about the end times from the Bible We say the Bible is our authority yet in actuality it is books and movies and charts that are our authority In contrast *The Last Days Let Scripture Be Your Guide* uses end times Scripture passages to develop a straightforward understanding about the last days It shows it is possible to develop one's view about the end times from the Bible without being disappointed or confused This book presents a straightforward discussion of Matthew 24 25 and Revelation along with passages from I and II Thessalonians and Daniel so that readers can clearly understand the events from a Biblical standpoint *The Last Days Let Scripture Be Your Guide* is for the average layman who wants to be able to understand from Scripture the end times sequence of events yet its reasoned and expositional approach will also appeal to scholars
