Answers for the Honest Skeptic Ted Even,2020-11-25 It is true that mankind himself has probably always been characterized with the main desire to determine just what spiritual truth really is For centuries and centuries highly educated philosophers and religious men alike have always stood toe to toe disagreeing on spiritual truth Since they cannot all be right this would strongly indicate that education religious persuasion or even intelligence has little to do with our discovery of the real spiritual truth For if these things were truly critical then obviously the spiritual intellectual giants of history would have agreed on spiritual truth long ago In this work author Ted Even endeavors to show that the disagreeing intellectuals skeptics of the past only serve to reinforce Christ s radical statement about our need to just become like little children in order to discover the spiritual truth and that literally everyone has the same opportunity to enter the kingdom of heaven on that basis However while super intelligence or big degrees may not be necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing

The Message Seeker Andra Pickett,2008 THE BEST LAID PLAN is a plan that is well planned and has been laid out since the beginning The High King and the Commissioner planned it all When the battle reached its height and the two friends

were called upon to do their best they could not fail they had to succeed After all the traveling they knew that the most important thing was to deliver the satchels to the King Tsami knew they must contain vital battle plans that the High King must have at all costs After all he was always secretly with them whenever they were stuck he always seemed to send help and he always knew where they were Something always ate at them though and was in fact suggested by Tsado why if the High King was so powerful couldn't he deliver them himself Who is Old Count Nick He seems to be more than a match for their puny weapons or is he The King's Courtroom Why does it look so familiar his courtiers he knows them surely **The Lukewarm Lutherans** L. C. Reed,2022-08-01 The Lutheran church is known for sound doctrine and order in its service but in their efforts to stay true to the teachings of Martin Luther something seems to get lost Passion in the message passion in prayer and passion in worship has led to a lukewarm lifestyle in the hearts of Lutheran believers Rituals and traditions have taken the place of relationship with God so much so that the idea of having a true personal relationship with God is foreign to most Lutheran believers The Lukewarm Lutherans points out some simple truths about the Lutheran church that needs to be addressed before Christ returns and the Lutheran church finds itself in the same predicament as the church of the Laodiceans mentioned in the Revelation of Jesus Christ who warns that they will be violently rejected by Christ at his return
