*William Faulkner and the Southern Landscape* Charles Shelton Aiken,2009 Charles S Aiken a native of Mississippi who was born a few miles from Oxford has been thinking and writing about the geography of Faulkner s Yoknapatawpha County for more than thirty years *William Faulkner and the Southern Landscape* is the culmination of that long term scholarly project It is a fresh approach to a much studied writer and a provocative meditation on the relationship between literary imagination and place Four main geographical questions shape Aiken s journey to the family seat of the Compsons and the Snopeses What patterns and techniques did Faulkner use consciously or subconsciously to convert the real geography of Lafayette County into a fictional space Did Faulkner intend Yoknapatawpha to serve as a microcosm of the American South In what ways does the historical geography of Faulkner s birthplace correspond to that of the fictional world he created Finally what geographic legacy has Faulkner left us through the fourteen novels he set in Yoknapatawpha With an approach methodology and sources primarily derived from historical geography Aiken takes the reader on a tour of Faulkner s real and imagined worlds The result is an informed reading of Faulkner s life and work and a refined understanding of the relation of literary worlds to the real places that inspire them

**The Romance of Authenticity** Jeff Karem,2004 To what extent has the demand for a vicarious experience of other cultures fuelled the expectation that the most important task for writers is to capture and convey authentic cultural material This text argues that authenticity is in fact a restrictive category of literary judgment
