Tips Carbon Footprint:

How to Reduce Your Carbon Footprint Joanna Yarrow, 2008-04-02 How to Reduce Your Carbon Footprint is the world citizen's guide to pushing back the advance of global warming. This colorful handbook offers 500 practical, easily achievable ideas that conserve energy, prevent pollution, and save money. Did you know that unplugging appliances and cell phone chargers when not in use can reduce electricity bills by 10 percent? Or that recycling just one glass bottle saves enough power to run a computer for 30 minutes? Whether the subject is jet travel, dishwashing, or any of the 50 topics in the book, surprising statistics and innovative graphics will inspire action and demonstrate that simple habits can lead to big results. **The Young Entrepreneur's Guide to Starting and Running a Business** Steve Mariotti, 2014-04-29 It doesn't matter how old you are or where you're from; you can start a profitable business. *The Young Entrepreneur's Guide to Starting and Running a Business* will show you how. Through stories of young entrepreneurs who have started businesses, this book illustrates how to turn hobbies, skills, and interests into profit-making ventures. Mariotti describes the characteristics of the successful entrepreneur and covers the nuts and bolts of getting a business up, running, and successful. ***The Complete Idiot's Guide to Socially Responsible Investing*** Ken Little, 2008-03-04 Today's hottest investing trend: More than ever, people want their money investments to reflect their personal or political leanings. But how do they find out which companies are socially responsible? Do these green investments perform as well as traditional investments? How can they protect themselves from mutual funds or 401Ks that are managed without the future in mind? All these questions and more are answered by an international expert who founded the SRI World Group, one of the largest information services on SRI. Includes detailed information about SRI, its history, and where it's headed. Explains the criteria used to evaluate a company's level of social responsibility. Compares performance of SRI to traditional investments. ***The Greenman's Guide To Green Living and Working*** Matthias Gelber, 2015-06-05 This book is all about how you can help the planet through your life and work, both of which are key areas within your control and influence. Practical steps based on my own experiences are outlined within this handy guide book, and I invite you to join me through reading and doing. My belief is this book will inspire you to shift your behaviour, helping you to have a healing impact on our planet. <http://www.greenmanspeaks.com> <http://www.negawattrevolution.org> After years of seeing Matthias shift consciousness with his superb message, we are proud to see him put it on to recycled paper. This is a must-read for anyone who wants their children to inherit a healthy Earth. You won't see your life the same again.
