

# Wonder of Science

The modern age is the age of science. There are many wonders of science. The most useful gift of science is electricity. It runs industries, factories, etc. All our home appliances run on electricity. The Discovery of medicines and vaccines has helped to cure many dreadful diseases. Trains, buses, cars, aeroplanes and ships have made our travel easier and more comfortable. The Discovery of Mobile, Internet, T.V., etc. have reduced the distance between people. Science has brought tremendous progress in the agricultural sector. The computer is the most wonderful invention of science. Science is the greatest boon to the modern world. We must ensure the proper use of the inventions of science in order to save the world from the dark side of science.
