The Last Parallel:

The Last Parallel Martin Russ, 2016-12-21 Nothing can truly prepare you for the horrors of war Martin Russ of the US Marine Corps tells his own story of being on the front lines during the war As part of his military training Russ was based at Camp Pendleton but as a young man he had desires and wishes he wanted to fulfil prior to going to war This was the calm before the storm and Russ had no idea what was in store for him Learning the ways of being a marine meant that emotions needed to be kept at bay The slightest display of affection would result in the other men's mockery For Russ dampening emotions was not entirely possible though He had an ailing grandfather and he was exposed to suicide and death Camp Pendleton was there to ready the men for war and in the process harden them to the horrors that were inevitable in any war War was not something one read about and prepared themselves for The first hand experiences of a marine are captured through his eyes the loss and devastation experienced by these marines is exceptionally provided In November 1952 Russ and his comrades boarded the General Wm Weigel from San Diego to Inchon Korea The two week journey itself was uneventful Russ details the preparations the marines made prior to disembarking and the conditions in which the men had to adapt to on Inchon However living conditions meals laundry recreation were reasonably favoured by Russ By January he had become the automatic rifleman of the squad platoon of the Able Company On his first night on watch duty Russ came close to facing the Chinese and it wasn't long before the raid began Although a time of suffering illness and death Russ's experience during the war is essentially presented through his own eyes Portraying the feelings emotions and hardships endured The last Parallel provides an in deep illustration of life at war Praise for Martin Russ One of the most gripping stories of combat ever told New York Times The only book I have ever read that evoked the gut clutching quality of this war Chicago Tribune Magnificent Chicago Tribune Martin Russ was born in 1931 He was a military author ex Marine and associate professor The Last Parallel was based around his own experiences during the Korean War His other later books were based on accounts provided by other combat veterans Russ died in 2010 [The Last Parallel](#) Martin Russ, 1957 [The Last Parallel a Marine S War Journal - Scholar's Choice Edition](#) Martin Russ, 2015-02-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this

The Last Parallel Introduction

In today's digital age, the availability of The Last Parallel books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Last Parallel books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Last Parallel books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Last Parallel versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Last Parallel books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Last Parallel books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Last Parallel books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Last Parallel books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient

means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Last Parallel books and manuals for download and embark on your journey of knowledge?
