Chakras Healing Meditation for Beginners + Cognitive Behavioral Therapy + Relaxation and Stress Reduction Robin McGill,2021-09-14 This book will help you in developing a clear understanding of the concept and

importance of chakras the reasons for their blockage and the ways to heal them The concept of chakras has started to attract the attention of people these days as most people feel that it can help them in addressing most of their problems in life The concept of chakras is very deep and wide In the east this concept was developed more than 4000 years ago and since then it is being followed in various forms If you look closely the knowledge of chakras can help you solve a lot of mysteries of your personal life The best thing about chakras is that it just doesn't tell about the problems but also helps you in finding the solutions There are several myths and misconceptions that float around the concept of chakras There is a lack of clarity and most people still consider it to be some form of magic There are people who maintain a distance from the knowledge of chakras as they believe it pertains to a specific religion This book will help you in clearing all such confusions This book is just not an introduction to the concept of chakras but would also explain in detail the ways in which you can benefit from this knowledge We all have these chakras active in our bodies naturally However modern lifestyle stress anxiety repressed emotions chronic pain and general suffering of life can block the chakras and the smooth energy flow in the may get affected It can cause innumerable problems and after reading the book you'll also be able to assess the number of problems that you have been facing due to chakra blockage Our ignorance makes us continue on the same path without any respite Chakra blockage can be rectified and chakras can be healed This means most of the problems caused by the chakras don't need to be a permanent part of our lives They can be removed permanently This book will help you in understanding the ways in which you can make that happen Most people believe that it might be a very difficult task and may need great expertise or skill This book will explain the simple ways in which the chakra issues can be corrected I assure that you will find the solutions easy and effective I hope that you will find this book useful and would be able to add value through the knowledge in this book There are plenty of books on this subject on the market thanks again for choosing this one Every effort was made to ensure it is full of as much useful information as possible please enjoy it

Comprehensive Stress Management Jerrold S. Greenberg, 1993. Using an informal anecdotal style, author Jerrold Greenberg helps you to understand the scientific foundations underlying stress in the Ninth Edition. He discusses the latest research findings on the physical, psychological, sociological, and spiritual aspects of stress and covers appropriate coping skills to help you manage stress in everyday life. With this edition, you can use laboratory assessment activities and exercises to relate concepts to your own life and to help identify coping strategies. The text is now perforated for easy removal of the labs, allowing you to easily develop your own stress portfolio. Explore new research findings about managing stress with humor in Chapter 7, spirituality and stress in Chapter 8, and helpful breathing exercises and the value of pets in managing stress in Chapter 12. Learn how to assist in decreasing stress levels in your community through Getting Along in Your Community boxes that show how to apply the chapter content to related community projects.
