Christodoulakis,2003-06-26 This volume contains the papers prepared for the 2nd International Conference on Natural Language Processing held 2 4 June in Patras Greece The conference program features invited talks and submitted papers covering a wide range of NLP areas text segmentation morphological analysis lexical knowledge acquisition and representation grammar formalism and syntactic parsing discourse analysis language generation man machine interaction machine translation word sense disambiguation and information extraction The program committee received 71 abstracts of which unfortunately no more than 50% could be accepted Every paper was reviewed by at least two reviewers The fairness of the reviewing process is demonstrated by the broad spread of institutions and countries represented in the accepted papers So many have contributed to the success of the conference The primary credit of course goes to the authors and to the invited speakers By their papers and their inspired talks they established the quality of the conference Secondly thanks should go to the referees and to the program committee members who did a thorough and conscientious job It was not easy to select the papers to be presented Last but not least my special thanks to the organizing committee for making this conference happen

Historical Dictionary of Berlin Ulrike Zitzlsperger,2021-01-21 After World War II Berlin became one of the playgrounds of the Cold War the Berlin Wall made the division between East and West between capitalism and communism in 1961 highly visible though it did remove Berlin from front line politics East and West Berlin had turned into shop windows of ideologies West Berlin representing the lure of a market economy East Berlin the promise of socialism It is then fitting that the fall of the Wall in 1989 awarded Berlin such a prominent role It was here that the development after Reunification of East and West became a closely observed event and well beyond Germany Berlin appeared to represent fundamental developments throughout Europe at the time Today Berlin is the capital of reunified Germany and therefore one of the key political players in the European Union EU and it is now a desirable destination for young entrepreneurs The Historical Dictionary of Berlin contains a chronology an introduction and an extensive bibliography The dictionary section has more than 300 cross referenced entries on important personalities places institutions and events This book is an excellent resource for students researchers and anyone wanting to know more about Berlin *The Savoy was My Oyster* Paolo Contarini,1976
