Library,1926 *The New Heretics of France* Susan Palmer,2011-10-21 Since the Age of Enlightenment France has upheld clear constitutional guidelines that protect human rights and religious freedom Today however intolerant attitudes and discriminatory practices towards unconventional faiths have become acceptable and even institutionalized in public life Susan Palmer offers an insightful examination of France s most stigmatized new religions or sectes and the public management of religious and philosophical minorities by the state The New Heretics of France tracks the mounting government sponsored anticult movement in the wake of the shocking mass suicides of the Solar Temple in 1994 and the negative impact of this movement on France s most visible religious minorities whose names appeared on a blacklist of 172 sectes commissioned by the

National Assembly Drawing on extensive interviews and field research Palmer describes the controversial histories of well known international NRMs the Church of Scientology Raelian Movement and Unificationism in France as well as esoteric local groups Palmer also reveals the partisanship of Catholic priests journalists village mayors and the passive public who support La R publique s efforts to control minority faiths all in the name of Liberty Equality and Fraternity Drawing on historical and sociological theory Palmer analyzes France s war on sects as a strategical response to social pressures arising from globalization and immigration Her study addresses important issues of religious freedom public tolerance and the impact of globalization and immigration on traditional cultures and national character
