

# The Most Spoken Language (Besides English & Spanish)

## IN EVERY STATE

The United States is one of the world's most linguistically diverse countries, with Census data indicating at least 350 languages are spoken in homes around the country. While English and Spanish are the two most popular tongues, which is the third most common language in each U.S. state?

With more than 40 million Americans claiming German ancestry, according to the Census Bureau, its language is most common in 13 U.S. states. Despite 3.4 million Chinese speakers in America, its popularity is third-most in six states.

# The American Language

**Henry Louis Mencken**

## **The American Language:**

**American Language** H.L. Mencken, 2012-01-04 The American Language first published in 1919 is H L Mencken's book about the English language as spoken in the United States Mencken was inspired by the argot of the colored waiters in Washington as well as one of his favorite authors Mark Twain and his experiences on the streets of Baltimore In 1902 Mencken remarked on the queer words which go into the making of United States The book was preceded by several columns in The Evening Sun Mencken eventually asked Why doesn't some painstaking pundit attempt a grammar of the American language English that is as spoken by the great masses of the plain people of this fair land It would appear that he answered his own question In the tradition of Noah Webster who wrote the first American dictionary Mencken wanted to defend Americanisms against a steady stream of English critics who usually isolated Americanisms as borderline barbarous perversions of the mother tongue Mencken assaulted the prescriptive grammar of these critics and American schoolmarm arguing like Samuel Johnson in the preface to his dictionary that language evolves independently of textbooks The book discusses the beginnings of American variations from English the spread of these variations American names and slang over the course of its 374 pages According to Mencken American English was more colorful vivid and creative than its British counterpart

*The American Language* Henry Louis Mencken, 1945

**The American Language** Henry Louis Mencken, 1921

**The American Language** H. L. Mencken, 2024-02-02 Embark on a linguistic journey through the heart of America with *Decoding the American Tongue* H L Mencken's Linguistic Journey by H L Mencken Join the renowned author and linguist as he unravels the intricacies of the American language from its regional dialects to its colorful slang As you delve into Mencken's insightful exploration prepare to be fascinated by the rich tapestry of linguistic diversity that defines American speech From the streets of New York City to the backwoods of Appalachia each chapter offers a unique glimpse into the evolution and idiosyncrasies of the American tongue But beyond mere linguistic analysis *Decoding the American Tongue* delves into deeper questions of identity culture and the power of language to shape our understanding of the world Mencken's wit and wisdom shine through as he uncovers the hidden meanings and cultural nuances embedded in everyday speech Yet amidst the linguistic puzzles and cultural insights a profound question emerges What can we learn from Mencken's linguistic journey and how does it shed light on the complexities of American society Engage with Mencken's enlightening discourse through lively anecdotes and thought provoking observations that challenge conventional notions of language and identity His exploration of the American tongue invites readers to celebrate the diversity and richness of linguistic expression Now as you immerse yourself in Mencken's linguistic odyssey consider this How can his insights into the American tongue inspire us to appreciate the beauty and complexity of language in all its forms Don't miss the opportunity to decode the mysteries of the American tongue with *Decoding the American Tongue* Acquire your copy today and embark on a linguistic journey that will forever change the way you see the world

**The American Language** Henry Louis Mencken, 1965

*The American Language: Development of English in the United States* H. L. Mencken, 2022-01-04 The American Language is a multi volume study of how the English language is spoken in the United States The book is Mencken's research of the differences between English and American language Mencken wanted to defend Americanisms against a steady stream of English critics who usually isolated Americanisms as borderline perversions of the mother tongue The book discusses the beginnings of American variations from English the spread of these variations American names and slang According to Mencken American English was more colorful vivid and creative than its British counterpart The book concludes with the observation in the norms of use of the proper names in America including surnames given names geographical names Mencken's analysis on the American slang and forecast on the further language development

**The American Language** Henry Louis Mencken, 1956

**A Study Guide for H. L. Mencken's "The American Language"** Gale, Cengage Learning, 2016

**The American Language** Henry Louis Mencken, 1963

*The American Language* H. L. Mencken, 2011-07 This groundbreaking study clarifies the differences between British and American English and defines the distinguishing characteristics of American English Cigar chomping newspaperman H L Mencken succeeds not only in providing a lucid description of the American language but also in making his readers laugh wince and nod in agreement It is a readable and fascinating study on why you say tomayto and I say tomahto A must read for anyone who loves words

**The American Language** H. L. Mencken, 2010-01-01

*The American Language* Henry Louis Mencken, 1978

**The American Language, Second Edition** H. L. Mencken, 2012-08 A new completely revised and much extended edition of H L Mencken's well known work first issued in a limited edition as a preliminary inquiry in 1919 this book is the most comprehensive treatise on the American dialect ever attempted It almost exhausts the subject It is a genuine magnus opus of over 500 pages with extensive bibliographies and a word and phrase index of 12 000 entries Avoiding the typical dullness of such books about language Mencken created a thoroughly entertaining read The bulk of the previous research and writing on the American Language according to Mencken in the Preface to the First Edition had been dedicated to absurd efforts to prove that no such thing as an American variety of English existed that the differences I constantly encountered in English and that my English friends encountered in American were chiefly imaginary THE AMERICAN LANGUAGE was nothing less than a declaration of linguistic independence No more would America suffer the oppression of literary colonialism A new day had dawned on American literature American writers were finally able to take flight from the old tree and to trust for the first time their own dialect Edmund Wilson observed Mencken showed the positive value of our own Vulgate heritage

**The American Language** Henry Louis Mencken, Raven Ioor McDavid, David W. Maurer, 1963 A modified edition of Mencken's classic analysis of American English

**The American Language a Preliminary Inquiry Into the Development of English in the United States** H. L. Mencken, 2016-04-28 This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced affordable price in an attractive volume so that

everyone can enjoy them      **The American Language** Henry Louis Mencken,1945      The American Language Henry Louis Mencken,1936      The American Language (Supplement One).
