

The background of the cover is a colorful illustration. At the top, a vibrant rainbow arches across a blue sky with light clouds. Below the rainbow, a small village with several tan, rectangular buildings is nestled in a valley. To the right, a waterfall cascades down a rocky ledge. In the foreground, a large, detailed illustration of a spider with a dark body and light-colored, web-like legs is positioned on a brown, textured surface. A small stream of water flows from the left side of the scene.

## **The Fixer Spider Boxed:**

*Been There, Noted That* Stephen Geez, 2018-02-25 *Been There Noted That* features 54 personal experience essays by novelist Stephen Geez. Written from 1994 to 2010, all are based on true experiences, observations, and opinions. Each features original artwork or photography by contributor members of Fresh Ink Group, including many fan favorites. The majority of the essays and the full color versions of their images have appeared at StephenGeez.com. Some were published elsewhere, often in varying versions, including magazines, newspapers, journals, other websites, and a Chicken Soup book. Many of these essays and their art have never been posted, appearing in this anthology for the first time. Some of the images used in earlier editions have been replaced with new ones for this 2018 re-issue and the new first-time hardcover edition. All 54 essays have been assembled in response to loyal readers asking for a collection in book form. Some essay topics may well resonate with you more than others. Some likely will remind you of people who might appreciate your thinking of them as you pass along these sentiments. Three essays convey direct messages you could bookmark and share: appreciation for friendship, birthday wishes, and graduation congratulations. Four offer remembrance tributes to people Geez has lost, a way to share our search for meaning as we grieve. If you enjoy this collection, please visit the website and refer your friends and family. Look for the latest material and encores of older classics at the site. Discover Geez novels, heartfelt tales in a variety of genres, all crafted to make us think. Share your thoughts on these essays and other Geez projects via the Contact form through the site. Learn more about Fresh Ink Group's writers, artists, photographers, experts, and more books at FreshInkGroup.com. Authors can find information and support at GeezWriter.com and GeezandWeeks.com. These narratives range from cautionary tales to poignant pokes at our uniquely human foibles, but all offer chances to celebrate who we are and how much we mean to each other.

**Comic Connections** Sandra Eckard, 2018-12-28. *Comic Connections: Building Character and Theme* is designed to help teachers from middle school through college find exciting new strategies to help students develop their literacy skills. Each chapter has three pieces: comic relevance, classroom connections, and concluding thoughts. This format allows a reader to pick and choose where to start. Some readers might want to delve into the history of a comic to better understand characters and their usefulness, while other readers might want to pick up an activity, presentation, or project that they can fold into that day's lesson. This volume in the *Comic Connections* series focuses on two literary elements: character and theme that instructors can use to build a foundation for advanced literary studies. By connecting comics and pop culture with these elements, students and teachers can be more energized and invested in the ELA curriculum.
