The Of Me:

Free the Three of Me Lynley Nicole Serrano,2021-12-11 It s scary To think anyone but me someday read this Scary to think that someday all of my deepest darkest and happiest thoughts might be read by somebody other than me That all of these thoughts that glide onto paper by way of blank ink pen could reveal the purest and rawest form of me By any random chance that some random stranger could pick up this journal or even someone close to me could pick up this notebook and with complete ease know who I am What s scarier is writing in this journal when I m anywhere other than my room I bring this journal everywhere I go in case I need to unload my thoughts and feelings In order for anxiety to not take over me I write in this journal Writing is my form of therapy It saves me from anxiety attacks and overthinking myself into oblivion If someone does by chance read this know that this is all it is therapy The abundance of words that flow through these pages is private

A Better Side of Me Miss T.L.C,2017-02-10 I believe we all have had these thoughts once or twice in our life Some of us may feel we are cursed and were just left on this earth as someones cruel joke to manipulate and hurt Im sure that some of us may even be hurting due to circumstances from someone we love and trusted to care for us Whatever your thoughts and questions are there is an answer for it We may not always understand at the time but everything happens for a reason Timing is everything and remember above all some are sicker than others We are not all with healthy thoughts or feelings some people carry some pretty heavy stuff around with them as they try to get through their daily life Some of us carry our parents issues as well as our own This allows us to be bullied and picked on Some of us are desperate some of us are just confused on what we should do No matter what we say out loud or the actions we take the mistakes we make or carry for another will ever be hidden We show all our feelings in our actions as well as expressions We should never allow our self to feel like we dont belong we dont fit in or we are not loved This is our brain giving us false information because of a feeling or thought and sights we are producing This my friends is an unhealthy STATE OF MIND Having this will lead us to destruction lead us to believing anything about us We are no good we dont deserve love we are no good to anyone I hate me I hate my life no one cares no one will miss me What difference will it make if Im here or not

The Heart of Me LaToya Bragg,2015-11-27 This Poet speaks from the depths of her soul She shares her deepest erotic moments as well as her journey though life itself She expresses poetically her walk through the fires of hell that life sometimes offers and how God touched her and delivered her from the pit of burning flames a place she once called home She is strong fearless and most of all she is a warrior Sit back relax and share her poetic journey

A Piece of Me Sandra E. Grey-Smith,2011-04 This book A Piece of Me is just that a piece of me Growing up in two different households trying to live what I learned from both and not understanding the realities of this thing called LIFE Some lessons were hard and some were easy but there was always a lesson In retrospect I can now look on pieces of my life in humor or appreciation of the moment and continually see how God moves This may sound like a cliché but Our God IS an AWESOME God
