The Orchard:

The Orchard Peter Heller, 2025-12-02 Available in paperback at last Peter Heller's masterful coming of age tale the story of a mother and daughter living on a Vermont apple orchard escaping ghosts of the past Hayley and her seven year old daughter Frith live in a rustic cabin with no electricity in the foothills of Vermont's Green Mountains A renowned translator of Tang dynasty poetry Hayley walked away from her career and her addict husband to raise Frith alone in a land populated not by ambition fueled academics but by hawks beavers and other wild things including their exuberant Bernese Mountain dog Bear They get by on what little they earn from their overgrown apple orchard and the syrup they make from their maple trees Frith precocious homeschooled and a voracious reader considers herself queen of this backwoods paradise She is too young to understand the pain and regret that have followed her mother here Season after season it is the three of them mother daughter and dog until the spring day when Rose Lattimore appears at their door and upends Hayley and Frith's solitary existence When tragedy unexpectedly strikes Frith must come to terms with heartbreak for the very first time By turns joyful and searing *The Orchard* reminds us that even during the hardest of times the enduring power of nature love and friendship will prevail

The Orchard Theresa Weir, 2011-09-21 *The Orchard* is the story of a street smart city girl who must adapt to a new life on an apple farm after she falls in love with Adrian Curtis the golden boy of a prominent local family whose lives and orchards seem to be cursed Married after only three months young Theresa finds life with Adrian on the farm far more difficult and dangerous than she expected Rejected by her husband's family as an outsider she slowly learns for herself about the isolated world of farming pesticides environmental destruction and death even as she falls more deeply in love with her husband a man she at first hardly knew and the land that has been in his family for generations She becomes a reluctant player in their attempt to keep the codling moth from destroying the orchard but she and Adrian eventually come to know that their efforts will not only fail but will ultimately take an irreparable toll
