This Is Jerusalem:

"This Is Jerusalem Calling" Andrea L. Stanton, 2013-09-01 Modeled after the BBC the Palestine Broadcasting Service was launched in 1936 to serve as the national radio station of Mandate Palestine playing a pivotal role in shaping the culture of the emerging middle class in the region Despite its significance the PBS has become nearly forgotten by scholars of twentieth century Middle Eastern studies Drawn extensively from British and Israeli archival sources This Is Jerusalem Calling traces the compelling history of the PBS s twelve years of operation illuminating crucial aspects of a period when Jewish and Arab national movements simultaneously took form Andrea L Stanton describes the ways in which the mandate government used broadcasting to cater to varied audiences including rural Arab listeners in an attempt to promote a modern vision of Arab Palestine as an urbane politically sophisticated region In addition to programming designed for the education of the peasantry religious broadcasting was created to appeal to all three main faith communities in Palestine which ultimately may have had a disintegrating separatist effect Stanton s research brings to light the manifestation of Britain s attempts to prepare its mandate state for self governance while supporting the aims of Zionists While the PBS did not create the conflict between Arab Palestinians and Zionists the service reflected articulated and magnified such tensions during an era when radio broadcasting was becoming a key communication tool for emerging national identities around the globe [Concordance of the Proper Names in the Holy Scriptures](#) Thomas David Williams, 1923 **"This Is My Doctrine": The Development of Mormon Theology** Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those already versed in Mormonism s theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions *YHWH Is There* Drew N. Grumbles, 2021-08-24 How do we make sense of Ezekiel 40 48 Ezekiel s

temple vision has long mystified Bible readers and scholars Is this a temple that is going to be built in the future Or is this merely symbolic Why so many details Is there any relevance to this section of the Old Testament at all This book addresses these important questions showing how Ezekiel s temple is more than just symbolic Yet its ultimate fulfillment is not in any physical building but according to the New Testament in Jesus and the new heavens and new earth Not only will this book illuminate Ezekiel 40 48 for you it will also help you understand important issues of interpretation in our day such as typology the role of the temple in biblical theology and the New Testament use of the Old Testament You will learn that yes in fact Ezekiel 40 48 is very relevant to the Bible s storyline

The Ladies' Repository ,1871 **The Bible Christian magazine, a continuation of the Arminian magazine** Bible Christians,1882 *The Latter-Day Saints' Millennial Star* ,1913 Who Is This Who Is Coming? Robert Laynton,2017-03-15 Christianity and Judaism differ in their views of the Messiah but both of these religious traditions are looking forward in time to the coming of the Messiah In the light of such different perspectives who is it that is coming and what will be the impact of this event This book suggests that there is more commonality between Jewish and Christian perspectives than may at first appear on the surface By drawing primarily from the Hebrew Scriptures and the Christian New Testament Scriptures it traces the unfolding story of God s plan of redemption reconciliation and restoration of the world to Himself through His chosen nation the Children of Israel and their promised Messiah It is an epic narrative of a kingdom usurped and being regained and one that is both uplifting and full of hope but at the same time sobering raising concerns for all of us at this present time

The Hereafter James Fyfe,1890 *The Scattered Nation* ,1898 **Tractatus de bello, de represaliis et duello** Giovanni (da Legnano),Thomas Erskine Holland,1917 **Biblical Researches in Palestine, and in the Adjacent Regions** Eli Smith,1874 **Harper's Young People** ,1890 The Expositor ,1883 *The Louisiana School Review* ,1902 The expositor's Greek Testament [with comm. by various scholars] ed. by W.R. Nicoll ,1903 *The Edinburgh Review* ,1897 *Preacher and Homiletic Monthly* ,1910 **The Second Coming of Jesus** George Floyd Taylor,1916 **The Flaming Sword** ,1906
