What is the Torah? Hollisa Alewine,2016-04-03 What is the Torah is an introduction to the first five books of the Jewish Bible the Tanakh for newcomers The text covers the literal definition as well as its cultural and contextual use in Jewish and Christian Bibles The author links the contextual use of the Torah in the Older Testament to its use in the Christian New Testament

The Torah ,2023-11-11 The Torah is Judaism s most important text It contains the first five books of the Hebrew Bible the Tanakh which are also the first five books of the Christian Bible The Tanakh is essentially the same as what Christians call the Old Testament with slight differences in the order and structure of the included books The Torah begins with the creation of the world and ends with the death of Moses The first full draft of the Torah is believed to have been completed in the 6th or 7th century B C and has been revised numerous times over subsequent centuries Jewish tradition teaches that the Torah is the revelation of God given to Moses and written down by Moses It is the document that contains all the rules by which the Jewish people structure their spiritual lives The word torah means to teach and it can mean different things in different contexts In its most common usage the Torah refers to the Five Books of Moses Genesis Exodus Leviticus Numbers and Deuteronomy But the word torah is also sometimes used to refer to the entire Hebrew Bible the Tanakh or Written Torah and sometimes even the entire body of Jewish law and teachings Traditionally each synagogue has a copy of the Torah written on a scroll that is wound around two wooden poles This is known as a Sefer Torah and it is handwritten by a sofer scribe who must copy the text perfectly In modern printed form as in this volume the Torah is usually called a Chumash which comes from the Hebrew word for the number five This book The Torah The Five Books of Moses is excerpted from a larger work in progress The Holy Bible King James Readers Version As you will see it is formatted like an epic poem which it is and feels like you are reading the King James Bible which you are but more smoothly and with more immediate understanding It also contains details and names missing from the King James Version that turn up in other versions of the Bible Needless to say I hope it increases your enjoyment and comprehension of this keystone document whose influence on Western civilization and culture is without equal No education is complete without reading it Twice
