Thornton Burgess Library:

The Burgess Animal Book for Children (Illustrated) Thornton Burgess,2023-12-16 In The Burgess Animal Book for Children Illustrated Thornton Burgess crafts an enchanting portal into the natural world blending storytelling with educational content to illuminate the characteristics and behaviors of various animals The book employs a whimsical narrative style combined with vivid illustrations aiming to engage young readers while instilling a deeper appreciation for wildlife Set against the backdrop of early 20th century America Burgess s work mirrors the growing interest in conservation and environmental education during this period making it a vital text for understanding the intersection of literature and nature based learning Thornton Burgess a noted American naturalist and author dedicated his life to promoting environmental awareness and wildlife protection His extensive knowledge of animal behavior and habitats shaped by years of observation in the fields and woods of Massachusetts served as a foundational influence in his writing Through his engaging tales Burgess sought to create a bridge between children and the natural world fostering a sense of curiosity and responsibility in his young audiences This book is highly recommended for parents educators and children who possess a thirst for knowledge about the animal kingdom The Burgess Animal Book for Children not only entertains but also educates making it an essential addition to any young reader s library

The Burgess Animal Book for Children Thornton W. Burgess,2005-05-01 Purchase one of 1st World Library s Classic Books and help support our free internet library of downloadable eBooks Visit us online at www.1stWorldLibrary.ORG The cordial reception given the Burgess Bird Book for Children together with numerous letters to the author asking for information on the habits and characteristics of many of the mammals of America led to the preparation of this volume It is offered merely as an introduction to the four footed friends little and big which form so important a part of the wild life of the United States and Canada There has been no attempt to describe or classify sub species That is for the scientist and student with specific interests The purpose of this book is to acquaint the reader with the larger groups orders families and divisions of the latter so that typical representatives may be recognized and their habits understood Instead of the word mammal the word animal has been used throughout as having a better defined meaning to the average child A conscientious effort to avoid technical terms and descriptions has been made that there may be nothing to confuse the young mind Clarity and simplicity have been the objects kept constantly in view

Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience.

The Burgess Animal Book for Children Thornton W. Burgess, 2012-03-16 Simple Sabotage Field Manual was authored by the United States Office of Strategic Services and is a must for any student of strategy and sabotage. **Old Granny**

Fox Thornton W. Burgess, 2018-07-14 Old Granny Fox. By Thornton W. Burgess. Winter's here and there's a carpet of deep snow covering the Green Forest and the nearby meadow, which means Reddy Fox and Granny Fox are having trouble finding food. Reddy, of course, is full of reckless ideas, such as getting into Farmer Brown's chicken house in daylight. Using the wisdom she's acquired over the years, Granny overrules many of Reddy's foolhardy suggestions, taking the conceit out of a youngster who thinks he knows more than anyone else. Granny also teaches Reddy quite a bit about patience, common sense, and resourcefulness. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public.

The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience Old Mother West Wind THORNTON WALDO BURGESS,2025-03-28 Return to a simpler time with Thornton W Burgess s classic collection Old Mother West Wind These charming animal stories perfect for bedtime reading have captivated children for generations Within these pages young readers will discover a world of engaging characters and gentle life lessons delivered in Burgess s signature heartwarming style Old Mother West Wind offers a collection of short stories ideal for sharing with children or for independent reading Parents and children alike will cherish these timeless tales filled with the wonder of nature and the endearing antics of its creatures Experience the enduring magic of classic children s literature with this beautifully prepared edition A perfect addition to any family library This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Burgess Animal Book for Children** Thornton W.
