Ian Kershaw

The Final Solution:

The Origins of the Final Solution Christopher R. Browning, 2007-05-01 This groundbreaking work is the most detailed carefully researched and comprehensive analysis of the evolution of Nazi policy from the persecution and ethnic cleansing of Jews in 1939 to the Final Solution of the Holocaust in 1942

Hitler and the Final Solution Gerald Fleming, 1987-02-11 Pp vii xxxiii contain Friedl nder s introduction which did not appear in the original German edition

Hitler, the Germans, and the Final Solution Ian Kershaw, 2008-05-28 This volume presents a comprehensive multifaceted picture both of the destructive dynamic of the Nazi leadership and of the attitudes and behavior of ordinary Germans as the persecution of the Jews spiraled into total genocide

Nazi Europe and the Final Solution David Bankier, Israel Gutman, 2009 In recent years scholars and researchers have turned their attention to the attitudes of ordinary men and women A during the period of the persecution of the Jews in occupied Europe This comprehensive work addresses the disturbing question of how people reacted when their neighbours were ostracized humiliated deported and later murdered

The Architect of Genocide: Himmler and the Final Solution Richard Breitman, 2022-09-05 A historian s carefully researched work based on a vast array of sources documenting Hitler s and Himmler s responsibility for the murder of European Jewry The book details the planning and the improvisations but emphasizes the former and Himmler s fanatical hatred of the Jewish race as the determinative cause of the Holocaust Dealing with a charged controversy Breitman makes a powerful case that by March 1941 the Final Solution was just a matter of time and timing i e that the Holocaust was not a reflex of Hitler s fear that the war in Russia could not be won Breitman argues that the Wannsee Conference merely ratified the plans and instructed other agencies to cooperate Breitman records the instances of resistance or opposition but notes that of course the cooperation of thousands many still alive and never tried and the complicity or silence of millions were needed to carry out the murder the book concludes that Himmler s brutality was more learned than instinctive or emotional a methodical murderer impelled by racist dogma Foreign Affairs Breitman s book is decisively important It should serve for years to come as required reading for all who wish to make sense of the Holocaust Daniel Jonah Goldhagen *The New Republic* Looking nothing like the Nordic ideal he advocated Heinrich Himmler chief of the Nazi SS was short flabby and balding his dull pedantic exterior disguising the caustic cowardly Machiavellian immensely cruel master of deceit within Breitman presents compelling evidence that the extermination of Jews was an early goal of Himmler a Bavarian and lapsed Catholic and his boss Adolf Hitler Drawing on previously untapped German records as well as other source materials this engrossing detailed study constitutes a powerful refutation of revisionist scholars who claim that Hitler did not plan the Final Solution in advance but instead improvised it out of either military or political frustration Publishers Weekly A truly path breaking book one of the few that will have a lasting impact on historical research of the period It shows both the primacy of

Hitler as the motivating force in the mass murder and the way in which his initiatives were accepted and internalized by the SS on the basis of ideology Holocaust and Genocide Studies Chilling expert history Kirkus An eminently sensible and judicious study that could well serve as a textbook on the topic The Historian Breitman's research is meticulous Especially valuable are his novel insights into the full and frequent communication between Himmler and Hitler who it is known seldom signed an order Mr Breitman presents his arguments cogently Michael H Kater The New York Times An absorbing important book that addresses the sequence of steps leading to the Final Solution Financial Times As Breitman persuasively demonstrates the situation kept changing but Hitler was always in charge and his goals always included ridding his empire of the Jews Los Angeles Times Breitman is on the hunt for smoking guns He finds the goods littered throughout Himmler's speeches and conversations Breitman shows that people knew Washington Post Book World The book is chillingly good on the uses and abuses of language to mask atrocity Newsday Breitman's study is an important addition to the literature on the origins of the Nazi genocide one that provides the most likely scenario and settles important disputed questions Breitman's study is a major step forward in our understanding of how the Nazis initiated mass murder German Studies Review An important book I much admire this work particularly for its resourceful combing of primary material there is much to learn from this book about the Final Solution its origins its implementation and its hate inspired architect The American Historical Review

The Final Solution David Cesarani, 1996 The Final Solution clarifies the key questions surrounding the attempt by the Nazis to exterminate the Jews Drawing on important new research these authoritative essays focus on the preconditions and antecedents for the Final Solution and examine the immediate origins of the genocidal decision Contributors also examine the responses of peoples and governments in Germany occupied Europe the USA and among Jews worldwide The controversial conversions of this study challenge many of our accepted ideas about the period

The Final Solution Gerald Reitlinger, 1953 Dotyczy m in Polski *The Villa, the Lake, the Meeting* Mark Roseman, 2002 In February 1947 US officials in Germany stumbled across a document Headed Secret Reich matter it summarized the results of a meeting of top civil servants and SS and party officials that took place on 20 January 1942 in a grand villa on the shore of Berlin's Lake Wannsee The document came to be known as the Wannsee Protocol or the most shameful document of modern history

Browning,1995-06-30 An authoritative and compelling account of the evolution of Nazi Jewish policy between 1939 and 1942 **The Origins of Nazi Genocide** Henry Friedlander,1997-09-01 Henry Friedlander explores in chilling detail how the Nazi program of secretly exterminating the handicapped and disabled evolved into the systematic destruction of Jews and Gypsies Tracing the rise of racist and eugenic ideologies in Germany he describes how the so called euthanasia of the handicapped provided a practical model for mass murder thereby initiating the Holocaust Based on extensive research in American German and Austrian archives as well as Allied and German court records the book also analyzes the involvement of the German bureaucracy and judiciary the participation of physicians and scientists the motives of the killers and the nature of popular opposition Friedlander also sheds light on the special plight of handicapped Jews who were the first singled out for murder *Children Who Survived the Final Solution* Twenty-Six Survivors,2004-04-08 Holocaust survivors who were children during the Nazi persecution wrote this collection of memoirs Each story bubbled up spontaneously without an interviewer s guidance hence these represent the most permanent memories of their authors childhood experiences This book provides a rare vantage point to look into the diverse lives of children during the Holocaust Both professionals and adult survivors have often said The children were too young to remember They could not have been more wrong about that I was struck by the fact that the stories were not bitter they did not seek revenge I found the underlying thread in the purpose of the stories to be gifts to the world given in the hope that the stories and the anthology would contribute to other children not having to suffer such events in the future Paul Valent M D Melbourne Australia author Child Survivors of the Holocaust 1994 2002 Special Report Series Great Britain.
