The Impossible Will Take a Little While Paul Rogat Loeb, 2014-04-29 More relevant than ever this seminal collection of essays encourages us to believe in the power of ordinary citizens to change the world In today s turbulent world it s hard not to feel like we re going backwards after decades of striving justice and equality still seem like far off goals What keeps us going when times get tough How have the leaders and unsung heroes of world changing political movements persevered in the face of cynicism fear and seemingly overwhelming odds In The Impossible Will Take a Little While they answer these questions in their own words creating a conversation among some of the most visionary and eloquent voices of our times Today more than ever we need their words and their wisdom In this revised edition Paul Rogat Loeb has comprehensively updated this classic work on what it s like to go up against Goliath whether South African apartheid Mississippi segregation Middle East dictatorships or the corporations driving global climate change Without sugarcoating the obstacles these stories inspire hope to keep moving forward Think of this book as a conversation among some of the most visionary and eloquent voices of our times or any time Contributors include Maya Angelou Diane Ackerman Marian Wright Edelman Wael Ghonim Vclav Havel Paul Hawken Seamus Heaney Jonathan Kozol Tony Kushner Audre Lorde Nelson Mandela Bill McKibben Bill Moyers Pablo Neruda Mary Pipher Arundhati Roy Dan Savage Desmond Tutu Alice Walker Cornel West Terry Tempest Williams and Howard Zinn

*For Yet A Little While* Daniel Heath, 2014-04-28 This collection of poems and thoughts was pieced together over time and might not have made it to completion if not for the encouragement of those who have read and enjoyed the contemplations and feelings that are abundant throughout these pages Also the photography not only adds to the significance and splendor of God s creativity but gives the reader something to contemplate as they envision the words before them My greatest desire for you is to draw you closer to the One who has created such majesty and given this little planet the beauty that is right before your eyes
