This Is Kashmir:

Rooh Manav Kaul, 2025-06-30 When Rooh tells Manav in a bar in New York that he ought to go back home to the hills in Kashmir he is suddenly thrown into the loop of his past a blue door white walls and a house at the end of a lane Soon the seemingly small worlds in which his memories reside coalesce into a giant mass and envelop both his past and present like dark clouds covering a brilliant blue sky Two young boys on the cusp of growing up the cruelty of being a refugee in their own country a father who is unable to come to terms with this confusing reality an undercurrent of pain sweeps through his life In this stream of consciousness novel the protagonist Manav makes a physical and metaphorical journey back to Kashmir and relives the past as a part of the present Rooh emerges as a deeply touching story of tender but broken people he meets along this journey

and cultural autonomy clarifying the nature of culture and autonomy particularly He goes on to articulate an invaluable systematic account of the varieties of colonialism The final chapters outline the motives of imperialists differentiating these from their ideological rationalizations and sketching the harms caused by colonialism The book concludes by considering when or if one can achieve a genuinely postcolonial condition Hogan illustrates these analyses by examining influential literary works by European writers such as Joseph Conrad and by non Europeans such as Athol Fugard Kamala Markandaya and Wole Soyinka This accessible and informative volume is the ideal resource for students and scholars interested in colonialism and empire
