Vengeance Is Mine James D. Savage, 2013-11-11 Much of what is written in this book is true and will probably shock and hurt those who loved James D Savage but the names have been changed to protect both the innocent and the guilty The ending of the book has been changed from what really happened and that is all I will say about that As is often the case the truth is stranger than fiction and it is unlikely people would accept what really happened and how his life really ended This book tells the good and the bad and does not paint anyone out to be what they are not It is first and foremost a story of vengeance on those who set out to ruin a good man s life
