This Splendid Land:

A Splendid Land Debra Diamond, Dipti Khera, 2023-02-19 Around 1700 artists in Udaipur began creating large immersive paintings to convey the mood of the city's palaces, lakes, and mountains. **A Splendid Land** explores how painters depicted places, mapped terrains, celebrated water resources, and triggered memories to foster political and personal attachments to land. With dazzling works made over a period of two hundred years that extends from Mughal to colonial India and by drawing upon previously untranslated sources and engaging with the history of the senses, this publication opens early modern art history to new interpretative possibilities while revealing the visual logic and beauty of Udaipur paintings.
