

This That And Everything

Illinois. Attorney General's Office

This That And Everything:

This, That, and Everything Norma Nightingale, 2013 This That and Everything shares the true and often hilarious account of the starts the stalls the reverses and the restarts of Norma Nightingale's life It covers the whole range of her life from childhood to becoming a grandma and beyond In a memoir that is humorous and sad by turns she recounts her life which began as the sixth of eight children born into a Holdeman Mennonite family Their way of life was to live in simplicity with economy and modesty including the way they dressed and how they conducted themselves not drawing attention to themselves She tells of her childhood growing up in central California on the property of the Gallo Winery where her father worked Her marriage at seventeen to Winston Nightingale who was eighteen at the time opened a new and exciting chapter in her life first in California and later in Kansas where her husband was offered a new job She talks of her devastation at discovering that after having three children she had early stage cervical cancer Happily she survived and thrived in Kansas with her family This That and Everything is the charming memoir of a woman who continues to live her life to the fullest with love hope and a wonderful family
