Thomas Morton:

The New English Canaan of Thomas Morton with Introductory Matter and Notes Thomas Morton, 2019-11-19 In *The New English Canaan* Thomas Morton presents a rich tapestry of narrative blending personal memoir and socio political commentary set in the early 17th century New England. Written in an engaging yet polemical style, the text serves as a counter narrative to the Puritanical doctrines dominating the region. Morton chronicles his experiences and observations during the establishment of Merrymount, a settlement characterized by its communal and libertine spirit, challenging the moral rigidity of Plymouth Colony. Through vibrant descriptions and sharp debate, Morton critiques the cultural and religious hegemony of the Puritans, laying bare the complexities of colonial life in an era marked by religious conflict and the search for personal freedom. Thomas Morton, an Englishman and a contemporary of the Pilgrims, was instrumental in highlighting the clash between European settlers and Native American cultures. Having faced banishment from the Puritan community in Plymouth, his own experiences of alienation fueled his passionate defense of freedom and diversity in thought and lifestyle. Morton's background as a well educated lawyer and adventurer informed his critical perspective on the moral absolutism of his peers, embedding his work within the broader context of Enlightenment thinking. *The New English Canaan* is a compelling read that invites contemporary readers to reflect on themes of liberty, cultural identity, and the complexities of colonialism in America. Scholars and general readers alike will benefit from Morton's unique voice, which challenges dominant historical narratives and celebrates the spirit of diversity and inquiry paramount to the American experience. The Trials of Thomas Morton Peter C. Mancall, 2019-11-26 This magisterial history presents a new perspective on Thomas Morton, his colonial philosophy, and his lengthy feud with the Puritans. *Wall Street Journal*. Adding new depth to our understanding of early New England society, this riveting account of Thomas Morton explores the tensions that arose from competing colonial visions. A lawyer and fur trader, Thomas Morton dreamed of a society where Algonquian peoples and English colonists could coexist. Infamous for dancing around a maypole in defiance of his Pilgrim neighbors, Morton was reviled by the Puritans for selling guns to the Natives. Colonial authorities exiled him three separate times from New England, but Morton kept returning to fight for his beliefs. This compelling counter narrative to the familiar story of the

Puritans combines a rich understanding of the period with a close reading of early texts to bring the contentious Morton to life This volume sheds new light on the tumultuous formative decades of the American experience **The New England Historical and Genealogical Register, Volume 4, 1850** New England Historic Genealogical Society,2000 needs description of magazine N0642HB 31 00 The New English Canaan of Thomas Morton Thomas Morton,1883 **The New England Historical and Genealogical Register** ,1849 Beginning in 1924 Proceedings are incorporated into the Apr number *Letter from Thomas Morton* Thomas Morton,1831 **Signers of the Mayflower Compact** Annie Arnoux Haxtun,1968 Biographies of the signers of the Mayflower Compact **A Quiet and Sober Reckoning with M.
