radio spots product placements billboards pop up ads we sometimes take for granted how much advertising surrounds us in
our daily lives We may find ads funny odd or even disturbing but we rarely stop to consider their deeper meaning or function
within society What exactly does advertising do How and why do ads influence us How does the advertising industry
influence our media These are just a few of the many important questions addressed in *The Advertising and Consumer
Culture Reader* an incisive provocative collection that assembles twenty seven of the most important scholarly writings on
advertising and consumer culture to date The classic and contemporary essays gathered here explore the past present and
future of advertising from the early days of print to the World Wide Web and beyond These selections offer historical
sociological critical cultural and political economic lenses to explore a wide range of topics from consumer activism to
globalization to the role of ads in the political process Together these key readings chart the past present and future of
advertising while also examining the effects of advertising and consumer culture upon individuals society cultures and the
world at large Designed for use in courses the collection begins with a general introduction that orients students to thinking
critically about advertising and consumer culture Section and chapter introductions offer valuable historical and critical
context while review questions after each reading will spark classroom debates and challenge students understanding of key
