what you want to keep or throw away For anyone that is wondering if this lifestyle is for them they need to ask themselves a few questions Would I benefit from scaling down Do I attach so much value to material possessions Am I holding on to baggage that I need to let go I am not saying that these are the only questions there are to be asked Every person is attracted to the lifestyle because of different reasons But they only become true minimalists if when they are free to focus on what they deem essential Our Book Covers the Following Topics Minimalism For Beginners Minimalism digital minimalism minimalism for families minimalist living minimalism home declutter your mind
