

What to Know About Teaching **Second Grade**

Teaching Second Grade

Micheal Houlahan, Philip Tacka

Teaching Second Grade:

What Every 2nd Grade Teacher Needs to Know Margaret Berry Wilson, 2010-08-10 You're teaching 2nd grade this year. What do you need to know? In a warm conversational style punctuated with anecdotes and examples from her own classrooms, Margaret Berry Wilson reviews second graders' common developmental characteristics and shares practical know-how on topics such as Arranging a circle desks and tables, Choosing and storing supplies, Scheduling a child-centered day and teaching daily routines, Planning special projects and field trips that maximize learning and build community, Understanding the special concerns of second graders' parents and finding the best ways to communicate with them. [A Quick Guide to Teaching Second-Grade Writers with Units of Study](#) Lucy Calkins, 2009 In *A Quick Guide to Teaching Second Grade Writers with Units of Study*, Lucy Calkins chronicles a curricular calendar that will help teachers increase the volume of student writing, encourage students to lift the level of their writing by reviewing, rethinking, and rewriting their work, and empower students to write with greater independence. *A Quick Guide to Teaching Second Grade Writers with Units of Study* is part of the Workshop Help Desk series. About the Workshop Help Desk series: The Workshop Help Desk series is designed for teachers who believe in workshop teaching and who have already rolled up their sleeves enough to have encountered the predictable challenges. If you've struggled to get around quickly enough to help all your writers, if you've wondered how to tweak your teaching to make it more effective and lasting, if you've needed to adapt your teaching for English learners, if you've struggled to teach grammar or nonfiction writing or test prep, if you've faced these and other specific pressing challenges, then this series is for you. Provided in a compact 5 x 7 format, the Workshop Help Desk series offers pocket-sized professional development. For a comprehensive overview of the Units of Study in Opinion, Argument, Information, and Narrative series, including sample minilessons, sample videos, frequently asked questions, and more, visit [UnitsofStudy.com](#). *Teaching Second Grade* Valerie SchifferDanoff, 2000 A one-of-a-kind teacher shares her creative ideas for helping students get the most out of their school year. Illustrations. *Kodály in the Second Grade Classroom* Micheal Houlahan, Philip Tacka, 2015-07-10 Since the mid-twentieth century, Zoltán Kodály's child-developmental philosophy for teaching music has had significant positive impact on music education around the world and is now at the core of music teaching in the United States and other English-speaking countries. The Kodály Today handbook series is the first comprehensive system to update and apply the Kodály concepts to teaching music in elementary school classrooms. *Kodály in the Second Grade Classroom* provides teachers with a step-by-step road map for developing children's performance, creative movement, and literacy skills in an organic and thoughtful manner. Through six years of field testing with music kindergarten teachers in the United States, Great Britain, and Hungary, the home country of Zoltán Kodály, authors Micheal Houlahan and Philip Tacka have developed a methodology specifically for 21st-century classrooms. Houlahan and Tacka use the latest research findings in cognition and perception to create a system not only appropriate for the developmental stages of second-grade students but also one which integrates

vertically between elementary music classes The methods outlined in this volume encourage greater musical ability and creativity in children by teaching them to sing move play instruments and develop music literacy skills In addition Kod ly in the Second Grade Classroom promotes critical thinking problem solving and collaboration skills Although the book uses the Kod ly philosophy its methodology has also been tested by teachers certified in Orff and Dalcroze and has proven an essential guide for teachers no matter what their personal philosophy and specific training might be Numerous children s songs are incorporated into Kod ly in the Second Grade Classroom as well as over 35 detailed lesson plans that demonstrate how music and literacy curriculum goals are transformed into tangible musical objectives Scholarly yet practical and accessible this volume is sure to be an essential guide for kindergarten and early childhood music teachers everywhere *Summer Blast: Getting Ready for Second Grade* Jodene Lynn Smith,2016-02-01 Summer Blast is a fun and effective workbook designed to prepare students for second grade This easy to use workbook makes at home learning quick and easy with daily practice activities In 9 weeks students will review the essential reading writing and math skills learned in first grade Watch as students build confidence and develop critical thinking skills with effective independent learning activities Parents appreciate the teacher approved activity books that keep their child engaged and learning Great learning boost for students who need extra practice want to get ahead or prevent summer learning loss Includes easy to follow instructions an answer key and supportive family activities Teachers trust the standards based activities to reinforce learning and address learning gaps The easy to use workbook prepares students to successfully transition to second grade **Second Grade Teacher** Teachernyla Publishing,2019-06 Second Grade Teacher Notebook for teachers who love teaching Second Grade Add this to your Second Grade Teacher haul for back to school It makes a great gift for any teacher at Christmas time back to school time Teacher Appreciation Week or any gift giving occasion Each page has college ruled lined pages on both sides for you to write your daily notes lists teaching ideas and self reflections The bright design will match a rainbow theme This will be your personal teacher notebook to be used for your Second Grade classroom **Teaching Literacy in Second Grade** Jeanne R.
