 through Literature is a professional development text that trains language teachers and prospective language teachers how
 to teach with literature This book proposes concrete ways to place literary studies solidly in the second language curriculum
 The reaffirmation of literature in the classroom demands the introduction of innovative steps writing by students from the very
 beginning of their instruction and the encouragement of imagination The book demonstrates precise methods to teach
 students to write before they speak to read as they learn to absorb vocabulary and to use their imaginations as they learn
 grammar rules Above all the book proposes that through literature students can learn to think critically to analyze and to
