individuals Evil comes from demons restless souls devil worshipers and men who serve them All these sources of evil are everywhere mostly on the streets always seeking victims The good thing to know is that everyone can guard themselves against any form of spiritual evil that comes from demons or man It s all written in the book The book follows the life of the main character and narrator Xenia A newborn baby girl came into a world where hopes and dreams blossom for everyone Before she was able to feel the warm embrace and see the gentle smile of joy of her mother she was abandoned at birth in Brooklyn New York Her life of love and warmth immediately started when she was found by one of the loving workers Mrs Bailey From the day she found her Mrs Bailey shielded and protected her as if she were her own child She became of age and had to leave the home attending college and pursuing a career in special education Mrs Bailey became ill Xenia was at her bedside when she passed away Her life was shattered For the first time she felt alone with no family or friends While attending college Xenia was sharing an apartment with Tessa Xenia s graduation was at hand and they were getting ready to leave Tessa did not let her know until the last minute that a few of her boyfriend s military buddies came from out of town to spend the weekend with him and Bob invited them to go with him to her graduation Once the girls entered the car Bob introduced his friends to Xenia She did not notice that Paul Bob s best friend could not take his eyes off her It was love at first sight for Paul but he was not aware that Xenia lived a sheltered life as an orphan in a foster home leaving her extremely shy person and na ve After a year of Paul trying as hard as he could to get her attention expressing his love and care for her in every way possible through continued persistence and humbleness he finally succeeded in gaining the love of the woman he so much loved and adored Considering that he waited so long for her to respond to his love once she did they got engaged He begged her to come up with a date as soon as possible Finally they were married and settled into married life enjoying every moment of it Two years passed when Paul brought up the subject about having a child Soon after he did something very strange and unusual happened to Xenia forcing her to go to the emergency room It was then she found out she was with child She had to remain in the hospital to make sure she was doing well since she had no idea she was pregnant The couple was not aware that Xenia s pregnancy unlocked a door of unnatural and supernatural powers of dark and unknown forces from the world of spiritual evil endangering her pregnancy and making her situation a bit difficult until she gave birth to her beloved son Alex After the baby s birth peace and love embraced the couple as they were overwhelmed with the joy of parenthood not knowing that the demons were not focusing on the mother but on the infant who was no longer shielded and protected inside his mother s womb Will the couple get the help they need to save baby Alex Or will the dark forces of evil finally get their victim Unfolding the spiritual mystery of SIDS read and learn who has the final words when angels and demons come into in battle
