[The Bending Joshua Tree](#) Melanie L. Stine-shannon, 2017-11. The story of the bending Joshua tree is a wonderful reminder of the importance of connecting to nature. Remember that nature is the nurturing we all need. Life lesson for all ages. This tale engages the reader by telling the tale of Joshua trees who lose touch with nature, which causes the trees to become overwhelmed; this in turn makes them bend. There is also a facts page at the end of the book that tells the reader facts about Joshua trees and how we can best respect and take care of them properly. This story has real-life scenarios about the importance of connecting to nature. The tale shows us how we can be affected negatively by being disconnected from nature. Nature is what teaches the Joshua tree how to nurture itself as it grows, which is a good example for us. *The Bending Joshua Tree* defiantly opens up avenues for discussion, especially in regards to showing us how to feel strong and balanced by being out in nature. It can be easy to neglect nature because we take it for granted that it will always be there for us. By discussing *The Bending Joshua Tree*, we can remember the importance of staying grounded in nature; it is the nurturing we all need. This story line teaches children about the importance of being connected to nature. It is through nature that we can nurture ourselves properly. The story of the bending Joshua tree is a wonderful reminder of the importance of connecting to nature. *Living in Joshua Tree* Lori O'Dea, Benchmark Education Company, LLC, 2013. *The Joshua Tree* John Dotta, 2017-09-15. Photographs of Joshua Trees in and around Joshua Tree National Park. **U2's The Joshua Tree** Bradley Morgan, 2021-12-01. U2 planted the seeds for *The Joshua Tree* during an existential journey through America. As Irishmen in the 1970s, the band grew up with the belief that America was a place of freedom and prosperity, a symbol of hope and a refuge for all people. However, global politics of the 1980s undermined that impression and fostered hypocritical policies that manipulated Americans and devastated people around the world. Originally conceived as *The Two Americas*, *The Joshua Tree* was U2's critique of America. Rather than living up to the ideal that the country was an idea that belongs to people who need it most, the band found that America sacrificed equality and justice for populism and fascism. This

book explores the political social and cultural themes rooted in The Joshua Tree when it was originally released in 1987 and how those themes resonated as a response to the election of Donald Trump when U2 toured for the album s 30th anniversary The author juxtaposes the band s existential journey through America with his own journey connecting with his Irish roots by becoming a citizen in the age of Trump and places U2 s and The Joshua Tree s relevance in context with the current political climate
