The Journalistic Interview:

The Journalistic Interview Hugh C. Sherwood, 1972 **Interviewing for Journalists** Adams Sally, 2009-09-10

Interviewing for Journalists details the central journalistic skill of how to ask the right question in the right way It is a practical and concise guide for all print and online journalists professionals students and trainees whether writing news stories or features for newspapers and magazines print and web Interviewing for Journalists focuses on the many types of interviewing from the routine street interview vox pop and press conference to the interview used as the basis of an in depth profile Drawing on previously published material and featuring interviews with successful columnists such as Emma Brockes who writes for the Guardian and the New York Times and Andrew Duncan of Radio Times Interviewing for Journalists covers every stage of interviews including research planning and preparation structuring questions the importance of body language how to get a vivid quote checking material and editing it into different formats Interviewing for Journalists includes a discussion about the significance and importance of the interview for journalism advice on how to handle face to face interviewees with politicians celebrities and vulnerable people advice on dealing with PRs how to carry out the telephone and online interview tips on note taking and recording methods including shorthand a discussion of ethical legal and professional issues such as libel doorstepping off the record briefings and the limits of editing a glossary of journalistic terms and notes on further reading

Interviewing for Journalists Sally Adams, 2001 Interviewing for Journalists addresses the central skill of asking the right question in the right way It is a practical and concise guide for all print journalists professionals students and trainees The authors both experienced journalists explain the different types of interviewing from the street interview vox pop or press conference to the interview used as a basis for an in depth profile Drawing on examples of published material and featuring interviews with a number of successful writers and columnists the book covers every aspect of interviewing

The Journalist's Predicament Matthew Powers, Sandra Vera-Zambrano, 2023-08-22 Low pay Uncertain work prospects Diminished prestige Why would anyone still want to be a journalist Drawing on in depth interviews in France and the United States Matthew Powers and Sandra Vera Zambrano explore the ways individuals come to believe that journalism is a worthy pursuit and how that conviction is managed and sometimes dissolves amid the profession's ongoing upheavals For many people journalism represents a job that is interesting and substantial with opportunities for expression a sense of self fulfillment and a connection to broader social values By distilling complex ideas holding the powerful to account and revealing hidden realities journalists play a crucial role in helping audiences make sense of the world Experiences in the profession though are often far more disappointing Many find themselves doing tasks that bear little relation to what attracted them initially or are frustrated by institutions privileging what sells over what informs The imbalance between the profession's economic woes and its social importance threatens to erode individuals' beliefs that journalism remains a worthwhile pursuit Powers and Vera Zambrano emphasize that as with many seemingly individual choices social factors class

gender education and race shape how journalists make sense of their profession and whether or not they remain in it An in depth story of one profession under pressure *The Journalist's Predicament* uncovers tensions that also confront other socially important jobs like teaching nursing and caretaking **The Journalistic Code of Ethics** Joseph Simmons Myers,1922
