## **The Unity Of One:**

Essentially One JONATHAN LAMB,2020-06-18 Across the barriers of race class culture and denomination Christians are united through the transforming power of the gospel of grace Yet instead of walls dismantled and alienations healed churches are often characterised by ugly division narrow tribalism and painful fragmentation In a world characterised by growing social division hostile identity politics and polarised cyber tribes all compounded by shrill voices on social media the author unfolds the profound biblical vision of true unity founded on the redemptive purposes of God to create a single new humanity This book provides crucial help for handling differences and overcoming division calling for attitudes and behaviour that portray Christ like character and reflect true Christian community Applying key biblical texts it addresses practical issues of handling conflict managing change using words wisely avoiding tribalism strengthening partnerships and building counter cultural community in the local church Urging us to make every effort to promote godly unity this is a thoughtful yet passionate call to remember that we are essentially one for the sake of God s honour and the credibility of our Christian witness in a fractured world

*Strength in Unity* Mark Lee Sundy,2019-05-10 The Bible tells us how good it is for God s people to dwell together in unity St Augustine once said By faithfulness we are collected and wound up into unity within ourselves whereas we had been scattered abroad in multiplicity We come into this unity by the love of Christ To be put into effect when the times reach their fulfillment to bring unity to all things in heaven and on earth under Christ Ephesians 1 10 NIV emphasis added This book is about having the unity of Christ in our heart And over all these virtues put on love which binds them all together in perfect unity Colossians 3 14 NIV emphasis added Love is the glue that holds us together in unity Unity with Christ is everything Unity without Christ has no lasting value There is strength in unity Becoming one with others makes us stronger than we could ever be alone Disunity division and disagreement brings about destruction downfall and dissolvment of countries households families marriages and businesses There is strength in unity and there is weakness in disunity Our countries motto E Pluribus Unum is Latin for Out of many one We have many states which need to come together as one We have many diverse peoples races and political affiliations that need to come together as one We could then have strength in unity We could then become an undivided country This book is about strength in unity It is about becoming one through Jesus Christ This book is about becoming unified in our marriages families businesses churches and country It is the author s prayer that we become one that we become unified in all these areas

**A Homiletic Encyclopaedia of Illustrations in Theology and Morals** Robert Aitkin Bertram,1889 **THE UNITY OF THE HOLY SPIRIT** Terry Swift,2024-04-17 This is the third book by the author This book The Unity of the Holy Spirit is very unique in the author s approach He uses what he observes in 1 John to discover a key to recognizing and achieving unity and fellowship That key in 1 John revolves around all or none type statements What do those statements tell us Like John s

theme in his letter it answers the question How do you know you have fellowship with the Father and with the Son These all or none statements of John tell us one is either in or they are out in fellowship or not you know God or you do not you are saved or you are not In the statements of John there is no middle ground For example John says Except you believe that I am he you will die in your sins He says He who does not have the Son of God does not have life This author proposes these various all or none type statements throughout the New Testament are the basis of what Christians must agree on These statements are revealed truth that we must stand on There is no compromise with these and be a Christian The author also addresses issues that divide churches He proposes that we do not have to agree on disputable matters Rom 14 1 These issues though they have divided Christians for hundreds of years into over four hundred denominations are not necessary to divide over and it destroys the unity and effectiveness of Christians These disputable issues that Paul speaks of and many more the churches divide over are a matter of individual growth and understanding in one s Christian journey of faith We should not Lord it over another s faith To his master he stands or falls We all need time to grow and understand things throughout life Some of these issues can be very serious and sometimes can rise to the level of a need for church discipline But for the most part we should not stand as judges over our brothers because we disagree over an issue Nor should we part ways Christians are to help each other be patient with each other and longsuffering Finally there are several chapters in the book that address several aspects of unity the attitudes and qualities that help produce unity those who cause disunity approaches to unity and what is true unity and what is not These and more are topics addressed in the book The book is written to give churches a practical and scriptural way to approach unity It is very different from the many creeds church rules and traditions that are offered as the approach to unity of churches Churches offer a very legalistic approach that demands conformity to their beliefs to be a member to teach or to lead in their church Such an approach demands conformity to a particular denomination s views and following their creeds rather than allowing the Spirit to help the individual Christian grow and learn God s will The growth and beliefs of individual Christians have been hi jacked by the various well meaning but biased denominations This new book is very challenging to the traditions and approaches of denominations Unity is not realized by them They are divisions of believers that cannot fellowship each other nor can they work together It is time for a fresh look in how to bring Christians back together and how to work together This is the book for those who want true unity with our brothers

**One Lord, One People: The Unity of the Church in Acts in its Literary Setting** Alan Thompson, 2008-10-01 This book examines the Lukan themes of unity and disunity against ancient Greco Roman and Jewish social and political discourses on concord and discord to better understand the context in which Luke highlights the themes of unity and disunity The themes of unity and disunity are particularly prominent in ancient discussions of the reigns of rulers evaluations of laws constitutions forms of government and descriptions of the contrasting effects of unity and disunity in the destruction and preservation of peoples and cities These themes are grouped under the broad categories of kingship and law and the preservation and destruction of cities The book contends that in the context of its literary setting the theme of the unity of the church under one Lord in Acts contributes to Lukan Christological claims that Christ is the true king and Lukan ecclesiological claims that the Christian community is the true people of God

*Martyrdom, Sacrificial Libation, and the Eucharist of Ignatius of Antioch* Frederick C. Klawiter, 2022-09-07 After showing that sacramental realism exists in neither Ignatius nor in John 6 51b 58 Frederick G Klawiter argues that Ignatius eucharist contained a sacrificial wine libation poured into a dish on the altar symbolizing the pouring out of Jesus blood in his sacrificial death Then by drinking from the libation cup in the eucharist agape meal Christians sought unity of agape with one another and the crucified risen Jesus while anticipating the possibility of martyrdom

**The Power of Unity** Phillip Rich, 2007-05-31 There is a unity of the spirit even though you may not be physically in the same location You can be in the unity of the spirit in the bond of peace which means you are not at war with another ministry You are not speaking evil of them even if you don't agree with every little detail of their doctrine We think that it is only as we agree with every detail of doctrine that we can walk together That is a fallacy that satan used to divide What we have to know is that we are brothers and sisters if we all believe that Jesus Christ is the head of the church and the only way to heaven We may not agree on everything but that is okay We won't make it an issue because that brings division and division weakens the ranks to the place where satan can get in and hinder the body of Christ from accomplishing what we need to accomplish Unity is what God is looking for
