## **The Unmuzzled Max:**

**The Unmuzzled Max** Max Ferguson, 1971-01-01 *From Coast to Coast* Sandy Stewart, 1985 From the earliest days when radio stages resembled funeral parlours to the frenzied coverage of royal tours and wartime broadcasting the author presents the major events in Canadian radio *The Unmuzzled Max. With a Foreword by Allan Mcfee. Illustrated by Roy Condy* Max Ferguson, 1971 **Our Dogs, Our Selves**, 2016-09-12 The ubiquity of references to dogs in medieval and early modern texts and images must at some level reflect their actual presence in those worlds yet scholarly consideration of this material is rare and scattered across diverse sources This volume addresses that gap bringing together fifteen essays that examine the appearance meaning and significance of dogs in painting sculpture manuscripts literature and legal records of the period reaching beyond Europe to include cultural material from medieval Japan and Islam While primarily art historical in focus the authors approach the subject from a range of disciplines and with varying methodology that ultimately reveals as much about dogs as about the societies in which they lived Contributors are Kathleen Ashley Jane Carroll Emily Cockayne John Block Friedman Karen M Gerhart Laura D Gelfand Craig A Gibson Walter S Gibson Nathan Hofer Jane C Long Judith W Mann Sophie Oosterwijk Elizabeth Carson Pastan Donna L Sadler Alexa Sand and Janet Snyder [The Microphone Wars](#) Knowlton Nash, 1994 *The Microphone Wars* is the astonishing and sometimes hilarious chronicle of the CBC full of larger than life characters incidents of skulduggery and moments of both despair and exhilaration and all underpinned by the good humour and acumen of its author The CBC is the most intensely scrutinized institution in Canada Everyone it seems has an opinion on it Yet oddly its history has never been fully told before But now the missing story that reveals all has been written by the one person with intimate knowledge of the CBC who can be absolutely fair Knowlton Nash who retired from the corporation in 1992 Nash brings his extensive contacts his own experiences his journalist's objectivity and his tremendous research and storytelling skills to the Byzantine tale of Canada's public broadcaster Ever since the 1920s when radio took Canada by storm there has been war between those who want to use the airwaves solely for commercial profit and those who believe in public broadcasting for its role in education and nation building There have been battle between management and producers and stars between the CBC and successive governments Liberal and Conservative alike between the CBC board and its executives between the private broadcasters and the CBC even between various CBC luminaries and the bottle Along with his vivid and intimate portraits of these fights Nash gives us the stories of the CBC's many triumphs from Foster Hewitt's early play by play of Saturday Night hockey games and Matthew Halton's dramatic broadcasts from the frontlines of the Second World War to the magic of TV in the 1950s the renaissance of CBC Radio in the 1970s and CBC TV's drama and comedy hit programs in the 1980s There have been betrayals aplenty too by governments determined to curb the CBC's independence by ones means or another or to starve it into submission and by insiders plotting the demise of controversial programs and equally controversial producers and personalities Based on countless hours of research on interviews with

forty major figure from the CBC's more recent past and on as many oral history tapes recorded by earlier CBC leaders. The Microphone Wars is the definitive popular history of Canada's public broadcaster. **Canadian Humour and Satire** Theresa Ford, 1976. Nothing ever changes at Wauregan. That is the mystique of the idyllic island summer colony; the comforting belief its multi-generation families have lived by for half a century. But in 1948, after a world war has upended countless lives, it is not certain that the islanders will be able to return to the old days, and for Helen Wadsworth the war is not over. Helen's husband Arthur was declared missing in action during an OSS operation in France and she is unable to find out what happened or whether he might even now be alive. Raising a teenage son who like his mother longs to know the truth, Helen turns to Frank Hartman, her husband's best friend and his partner on the OSS mission on which Arthur was lost while Frank escaped. But Frank seems more intent on filling the void in Helen's life which Arthur has left than in answering her questions. And then Peter Gavin, a young Marine who was captured and tortured by the Japanese, returns to the island with his faithful war dog, and man and dog enter the lives of Helen and her son. Unsure of whom to trust or what to believe, Helen takes matters into her own hands. As she seeks the truth, she makes a shocking discovery that will alter the course of her life and change her perceptions of love and war. A mystery, a love story, and an insider's view of a private world. **A Certain Summer** resonates long after the last page is turned. Equal parts novel of manners, historical fiction, and a quiet examination of social mores, **A Certain Summer** weaves important questions about class, gender, trauma, and family through its seemingly simple narrative as artfully as an experienced hostess arranges the seating at a dinner table so that conversations flow. But Ms Beard shows that even magical retreats like Wauregan are subject to the vicissitudes of the modern world. In the end, it seems that Wauregan's magic prevails in its very ability to change in a way that stays true to its origins, or even more precisely, that magic prevails as Wauregan learns it must change to stay true to its origins. *The East Hampton Star*. Woven into this tale of loss and romance are themes of intrigue, growth, betrayal, psychological trauma, and a fulfilling healing process. Beard's attention to historical details and understanding of the realities and shortfalls of privilege make a satisfying read. *Publisher's Weekly*. A richly evocative debut novel. *Goodreads*. A really satisfying read. I'm crazy about **A Certain Summer**, a perfect summer book. *Bookreporter.com*. The Brock Bibliography of Published Canadian Plays in English, 1766-1978

Anton Wagner, Bonita J. Orosz Bryan, 1980 A comprehensive record of more than 2000 Canadian plays published in English during the past three centuries Organised alphabetically under the name of the author each entry includes a brief plot summary a breakdown of acts and cast and notes on the first productions *Combined Retrospective Index to Book Reviews in Humanities Journals, 1802-1974* Evan Ira Farber, 1983 National Union Catalog, 1978 Includes entries for maps and atlases *The Listener*, 1973-07 **Provincial Police Reform in Early Victorian England** Roger Swift, 2021-04-21 The establishment of new police forces in early Victorian England has long attracted historical enquiry and debate albeit with a general focus on London and the urban industrial communities of the Midlands and the North This original study contributes to the debate by examining the nature and process of police reform the changing relationship between the police and the public and their impact on crime in Cambridge a medium sized county town with a rural hinterland It argues that the experience of Cambridge was unique for the Corporation shared co jurisdiction of policing arrangements with the University and this fractious relationship as well as political rivalries between Liberals and Tories impeded the reform process although the force was certified efficient in 1856 Case studies of the careers of individual policemen and of the crimes and criminals they encountered shed additional light on the darker side of life in early Victorian Cambridge and present a different and more nuanced picture of provincial police reform during a seminal period in police history than either the traditional Whig or early revisionist Marxist interpretations implied As such it will support undergraduate courses in local social and criminal justice history during the Victorian period **Library of Congress Catalogs** Library of Congress, 1976 *Subject Guide to Canadian Books in Print*, 1974 Munsey's Magazine, 1898
