the famous French prison known as the Bastille A priest named Aramis a former Musketeer is sitting in a cell with a prisoner It seems that Aramis is at the prison to hear the man s confession The prisoner however doesn t have anything to confess because his only crime is being the King of France s twin brother Aramis happens to be one of the few people in France who knows this secret Aramis wastes no time in putting together a plan to free this prisoner and swap him for the legitimate king Once the former prisoner becomes king Aramis hopes to be rewarded by being appointed adviser to the King prime minister or even pope Meanwhile let s get up to speed on the situation with the real King We have a colorful cast of characters at court There s King Louis s mother Anne of Austria his younger brother known as Monsieur with a capital M his wife Maria Theresa and his mistress a woman named La Valliere Then there s the Superintendent of Finances a man by the name of Fouquet who s throwing a party at Vaux in an attempt to ingratiate himself with the King Among those who would like to see Fouquet swimming with the fishes is a man named Colbert the Minister of Finances To round off courtly life we have D Artagnan captain of the King s Musketeers
