The Jesus Freaks:

The Jesus Freaks Jess Moody, 1971 The Jesus Freaks Movement Perry F. Rockwood, 1977? *Jesus Freaks* Don Lattin, 2009-10-13 In the tradition of Jon Krakauer's *Under the Banner of Heaven* Don Lattin's *Jesus Freaks* is the story of a shocking pilgrimage of revenge that left two people dead and shed new light on The Family International one of the most controversial religious movements to emerge from the spiritual turmoil of the sixties and seventies Some say The Family International previously known as the Children of God began with the best intentions But their sexual and spiritual excesses soon forced them to go underground and follow a dark and dangerous path Their charismatic leader David Moses Berg preached a radical critique of the piety and hypocrisy of mainstream Christianity But Berg's message quickly devolved into its own web of lies He lusted for power and unlimited access to female members of his flock including young girls and teenagers and became a drunken tyrant setting up re indoctrination camps around the world for rebellious teenagers under his control Thousands of children raised in The Family would defect and try to live normal lives but the prophet's heir apparent Ricky Davidito Rodriguez was unable to either bear the excesses of the cult or fit into normal society Sexually and emotionally abused as a child Ricky left the fold and began a crusade to destroy the only family he ever knew including a plot to kill his own mother Veteran journalist Don Lattin has written a powerful engrossing book about this uniquely American tragedy *Jesus Freaks* is a cautionary tale for those who fail to question the prophesies and proclamations of anyone who claims to speak for God **Jesus Freaks** Nina May, 2025-02-24 *DC Talk's Jesus Freak* Will Stockton, D. Gilson, 2018-11-01 Late in the Reagan years three young men at Jerry Falwell's Liberty University formed the Christian rap group dc Talk The trio put out a series of records that quickly secured their place at the forefront of contemporary Christian music But with their fourth studio album *Jesus Freak* 1995 dc Talk staked a powerful claim on the worldly market of alternative music becoming an evangelical group with secular selling power This book sets out to study this mid 90s crossover phenomenon a moment of cultural convergence between Christian and secular music and an era of particular political importance for American evangelicalism Written by two queer scholars with evangelical pasts *Jesus Freak* explores the importance of a multifarious album with complex ideas about race sexuality gender and politics an album where dc Talk wonders What will people do when they hear that I'm a Jesus freak and evangelical fans stake a claim for Christ-like coolness in a secular musical world *The Jesus Freaks* Guy F. Claude Hamel, 1972 **Promises for a Jesus Freak** DC Talk, 2001-11-01 *Promises You Can Stake Your Life On* Throughout history Jesus freaks have valued God's Word above food water clothing comfort safety their very lives Why They understand the power of His promises to comfort them strengthen them correct them inspire them and transform them into the person God wants them to be Are you ready to be a Jesus Freak Then you got to know God's Word And here is one small place to start Discover God's wisdom and promises for your life when you need strength to overcome temptation the power to face persecution the words to testify for Jesus the faith to

continue your walk with Jesus when others have fallen away Jesus Freaks know that they can stake their lives on God's promises *Live Like a Jesus Freak* DC Talk,2001-11-01 Spend Today As If It Were Your Last For those who've read Jesus Freaks this book is the next step Focusing on life application the book features practical ideas for putting faith to work challenging questions for deepening your life and readings that will help you sustain your passion Live Like a Jesus Freak defines what it means to believe pray worship study love stand forgive rejoice serve and witness like a true Jesus Freak

The Jesus People Movement Richard A. Bustraan,2014-02-13 Who would have imagined that the hippies those long haired psychedelia influenced youth of the 1960s would have initiated a spiritual revolution that has transformed American Christianity If you are unfamiliar with the 1960s the counterculture the hippie movement and the Jesus People then this book will transport you to that era and introduce you to the generation and the decade that turned American culture upside down If you have read other books on the Jesus People this account will take you by surprise A refreshingly different narrative that unveils a storyline and characters not commonly known to have been associated with the movement this book argues that the Jesus People though often trivialized and stigmatized as a group of lost and vulnerable youth who strayed from the Fundamentalism of their childhood helped American Christianity negotiate a way forward in a post 1960s culture It examines the narrative of the Holy Spirit and the phenomenon called Pentecostalism Although utterly central the Jesus People's Pentecostalism has never been examined and their story has been omitted from the historiography of Pentecostalism This account uniquely redresses this omission **Jesus Freaks** D.C. Talk,2002-12-01 **Jesus Freaks: The Prodigal** Andrea Randall,2014-12-15 The morning after Kennedy Sawyer confirmed to the world that she is the daughter of internationally renowned televangelist Roland Abbot she's faced with a new challenge What kind of daughter does she want to be to him The sometimes kind the title kind or the all in kind In the months following her decision Kennedy is faced with sex drugs extended family lying threats booze strip clubs and wavering faith among her family and friends Exploring how much honesty is too much Kennedy pushes the boundaries of all of the relationships around her to see if God really lies somewhere beneath it all

[Jesus Freaks with "Supernatural" CD](#) DC Talk,2000-10 **The Jesus Freaks** Richard Hubbard,1972 *Jesus Freaks: Sins of the Father* Andrea Randall,2014-08-24 Intelligent thought provoking heart twisting Andrea Randall proves once again that she is an eloquent writer and creator of characters who will stay with you long after you finish the book Melissa Brown author of Wife Number Seven Kennedy Sawyer is the valedictorian of her upper middle class liberal high school Roland Abbot is the charismatic attractive televangelist from New Life Church with a dark past and an illegitimate child Ignoring the cautions of her mother and the confusion of her Ivy League bound friends Kennedy enrolls at the conservative Christian Carter University where her sights are set on Roland Abbot her birth father Kennedy's intentions are to learn more about her father than the Bible However roommates who are quick to evangelize to strangers an RA who seems to be hiding something and friends in the most unlikely places challenge everything she's ever held as true in the raging battle of us vs them
